Waziri Mpango aiwashia moto TRA

Na Mwandishi Wetu

WAZIRI wa Fedha na Mipango, Dk. Philip Mpango, amemwagiza Kamishna Mkuu wa Mamlaka ya Mapato Tanzania (TRA), Dk. Edwin Mhede, kuwasimamisha kazi watumishi 22 wa mamlaka hiyo.

Miongoni mwa watumishi hao ni mameneja wa mikoa wa TRA na kwamba wanatuhumiwa kushindwa kutekeleza majukumu yao ipasavyo ikiwamo kujihusisha na ufisadi na uzembe kazini, hivyo kuikosesha serikali mapato.

Dk. Mpango alitoa maagizo hayo jijini Dodoma jana, katika kikao kazi, alipokutana na Bodi ya Wakurugenzi, menejimenti na mameneja wa mikoa wa mamlaka hiyo kupanga mikakati namna ya kuboresha mazingira ya ufanyaji biashara na kuongeza wigo wa ukusanyaji wa mapato ya kodi na maduhuli ya serikali.

Aliagiza uchunguzi wa kina ufanyike kwa watumishi hao wanaotuhumiwa na vitendo vya rushwa, kutosimamia ipasavyo matumizi ya mashine za kutolea stakabadhi (EFD), kuwabambikia kodi kubwa wafanyabiashara na kuagiza apatiwe taarifa ya utekelezaji wa maelekezo hayo ndani ya siku 90 kuanzia jana.

Watumishi hao ambao aliagiza wasimamishwe kazi ni Brighton Kasilo, ofisa wa TRA Tanga; Kaimu Meneja wa Nkasi, Rogers Mkama, Meneja wa Ukaguzi Shinyanga, Sara Senso, na Meneja wa EFD Kwibin Nyamuhanga.

Wengine ni Meneja wa Mkoa Kabula Mwemezi; Meneja wa Mkoa wa Kigoma, Jacob Mtemang'ombe, Meneja wa TRAc Kasulu, Benward Mwakatundu na maofisa wa mkoa wa Songwe, Janeth Mlack, na Joshua Samwel.

Pia wamo Msimamizi wa Kituo cha Tarakea, Maududi Tingwa, na maofisa wa Same, Adam Benta na Adam Ruhusa; Hilda Mahenge, Ibrahim Lyndama na Geofrey Mwinuka wa Njombe.

Watumishi wengine ni Meneja wa Biharamulo, Alex Chacha, maofisa mkoa wa Ilala, Stephen Kauzeni, Kimweli, Ngobya, Raphael Meng'alai, Benedict Kasele na Nicodemus Mwandago, na Kaimu Meneja wa Ruangwa, Florian Rubambwa.

"Nakuagiza Kamishna Mkuu wa Mamlaka ya Mapato Tanzania, Dk. Edwin Mhede, uwapumzishe kazi kuanzia leo (jana) kwa mujibu wa kanuni ya 37 ya Kanuni za Utumishi wa Umma za Mwaka 2003 na umwagize Mkuu wa Idara ya Mambo ya Ndani awachunguze wahusika wote ndani ya siku 90 na nipatiwe nakala ya taarifa ya uchunguzi na hatua zilizochukuliwa dhidi ya kila mmoja," alisema.

Dk. Mpango pia alimwagiza Dk. Mhede, kufanya uhamisho wa lazima wa maofisa waliokaa muda mrefu katika kituo kimoja cha kazi na kwamba anatambua kazi hiyo itagharimu fedha nyingi, lakini ni bora kufanya hivyo. Alisema kukaa kwao muda mrefu kwenye vituo vyao kunaathiri utendaji kwa kuwa wengi wao wana mitandao ya kuiba fedha za umma. Pia aliiagiza TRA kusimamia kikamilifu matumizi ya EFD nchini kote na kubaini stakabadhi za kughushi na mashine bandia zinazotumiwa na baadhi ya wafanyabiashara wasio waaminifu na pia kutoa muda wa siku 15 kuanzia sasa hadi Desemba 31, kuhakikisha changamoto ya kufutikafutika kwa stakabadhi zinazotolewa na EFD inapatiwa ufumbuzi wa kudumu.

"Ili kuweka kumbukumbu ni lazima utoe nakala ya risiti kwani usipofanya hivyo baada ya siku chache inafutika. Jamani kwa nini iwe risiti za TRA tu? Mbona kwenye Supermarkets wao hazifutiki! Mlishanieleza kuwa sasa mmeanza kusambaza karatasi za risiti ambazo hazifutiki, lakini kiuhalisia bado! Hatuwezi kuendelea na utaratibu huo bila kufikia mwisho wake," alionya.

Eneo lingine alilotilia mkazo Dk. Mpango ni hatua ya baadhi ya watumishi wa TRA wasio waaminifu wanaowabambikia wafanyabiashara kodi kubwa na kuzishikilia akaunti zao za benki na baadaye kuwadai rushwa, ili wawapunguzie kodi jambo alilosema linawakwaza wafanyabiashara na kuikosesha serikali mapato.

"Baadhi ya wafanyabiashara hasa wadogo wameanza kukwepa kufanya miamala kupitia benki na kuweka fedha za mauzo benki kwa sababu taarifa za benki zinatumiwa na TRA kufanya makadirio ya juu mno ya kodi kwa kuangalia ukubwa wa miamala ambayo kwa sehemu kubwa ni fedha za wafanyabiashara wakubwa waliowakopesha bidhaa wafanyabiashara hao.

Ninaiagiza Menejimenti ya Mamlaka ya Mapato ikalichunguze eneo hilo, ili ukadiriaji wa mapato uwe wa haki na makadirio hayo yaakisi ukubwa wa biashara," alisisitiza Dk. Mpango.

Kuhusu zawadi kwa watoa taarifa za wakwepa kodi, Dk. Mpango alieleza kuwa kuna malalamiko ya watoa taarifa kutolipwa zawadi zao, huku baadhi ya watumishi wa TRA wasio waaminifu wakitoa taarifa zao kwa wakwepa kodi hali ambayo ni hatari kwa usalama na maisha yao na kuutaka uongozi wa TRA kumwandalia taarifa ya mwaka mmoja ya namna walivyowapa zawadi watoa taarifa hao ambao ni muhimu kwa kuwa wanaokoa fedha za serikali.

Alipiga marufuku TRA kufunga biashara za wafanyabiashara kwa kushindwa kulipa kodi badala yake watumie njia ya kukaa nao na kujadiliana namna ya kulipa kodi hizo na kwamba uamuzi wa kufunga biashara uwe wa mwisho baada ya njia zote kushindikana na mwenye mamlaka ya mwisho ya kufanya hivyo ni Kamishna Mkuu wa TRA.

Maeneo mengine aliyoyagusia na kutoa maelekezo ya kuboresha ni pamoja na kuimarisha ukusanyaji wa kodi ya majengo, kudhibiti ukwepaji wa kodi kwenye biashara ya vyuma chakavu, kuongeza ukusanyaji wa kodi katika sekta ya madini, kubadilisha nyaraka kutoka lugha ya Kiingereza kwenda Kiswahili, kurejesha imani ya wafanyabiashara kwa TRA na kumwagiza Katibu Mkuu wa Wizara ya Fedha na Mipango, Doto James, kuanzisha ofisi itakayoshughulikia malalamiko ya kodi kwa wafanyabiashara na wawekezaji.

HABARI KITAIFA

DC acharaza viboko wanafunzi, w/biashara vyuma chakavu

Na Tumaini Mafie, ARUSHA

MKUU wa Wilaya ya Arusha, Kenan Kihongosi (pichani) amewacharaza viboko wanafunzi na wafanyabiashara wa vyuma chakavu waliobainika kununua viti vya Shule ya Sekondari Sinoni, jijini hapa.

Akitoa adhabu hiyo jana, katika Shule ya Sinoni kwa vijana watano waliohusika kununua viti hivyo, Kihongosi alisema serikali inatumia fedha nyingi kwa ajili ya kuhakikisha watoto wanapata elimu, lakini anasikitishwa kuona wafanyabiashara wakinunua miundombinu iliyopo kwenye matumizi.

"Serikali inatoa fedha nyingi kuhakikisha elimu inaendelezwa ili taifa liondokane na ujinga, leo mnanunua kiti Sh. 500, wakati kiti hicho kinatengenezwa kwa gharama ya Sh. 100,000, huu ni ujinga hamfikirii thamani ya miundombinu inayotolewa na serikali?" Alihoji.

Alimwagiza mkuu wa shule hiyo, kuhakikisha watoto walioiba viti wanasimamishwa masomo hadi wazazi watakapolipa viti hivyo, pamoja na wafanyabiashara hao kupelekwa mahabusu hadi watakaposema viti hivyo vinalipwaje.

Alimwagiza pia mwalimu huyo kuhakikisha wanafanya ukaguzi wa vifaa vya shule kujua idadi ya vilivyoharibika, kupotea na vinavyoendelea kutumika lengo likiwa ni kujua hali halisi ya miundombinu ya shule.

Pia, aliongea na baadhi ya wananchi wa Kata ya Sinoni, kuwajibika katika elimu za watoto wao ikiwa ni pamoja na kusimamia vyema watoto kuhudhuria shuleni badala ya kuhangaika mtaani kutafuta vyuma chakavu na kujihusisha na biashara jambo linalosababisha kuwa na tamaa ya kuharibu miundombinu ya serikali.

Wazazi wa wanafunzi waliokamatwa walikiri kuwa watoto wao wapo nyumbani baada ya kusimamishwa na uongozi wa shule hadi kikao cha bodi kitakapofanyika kwa ajili ya uamuzi wao.

"Sisi tumelipokea kwa masikitiko jambo hili la watoto wetu kuhusishwa na wizi wa viti kwa kuwa tunajitahidi kuhakikisha wanasoma, ili watuletee maendeleo baadaye wakati mwingine tunalala hadi njaa kwa ajili ya kutoa mahitaji yao, lakini matokeo yake wanajiingiza kwenye makundi yasiyofaa," alisema Saruni Laizer, mmoja wa wazazi wa watoto waliokamatwa na wizi wa viti vya shule.

Vile vile, Mkuu huyo Nteles Lorna, alisema walibaini upotevu wa viti 108 baada ya mitihani ya kidato cha nne kufanyika kutokana na viti hivyo kupungua na kwamba uchunguzi wa kubaini viti hivyo ulianza na kugundulika baadhi ya wanafunzi kuhusika na wizi huo.

"Tulianza kuweka mitego hadi kwa walinzi na juzi ilipokuwa Sikukuu ya Uhuru, mlinzi aliona watoto hao wakirusha viti juu ya ukuta na kuvichukulia nje ya ukuta na kuvipeleka kwa wauzaji wa vyuma chakavu," alisema Lorna.

Operesheni ya kuhakiki miundombinu ya shule hiyo ilifanywa na Ofisa Tarafa ya Elerai, mkoani hapa, Titho Cholobi na baada ya kubaini upotevu huo alimshirikisha Mkuu wa Wilaya.

"Nilipata taarifa kwa wasamaria wema na nilifika kuona hali ilivyo, tulifanikiwa kuwatembelea wanunuzi waliohusika kwa bahati nzuri wamekamatwa, lakini tukawakamata na watoto wanane wanaohusishwa na jambo hili," alisema Cholobi.

Cholobi alisema kiti kimoja thamani yake ni Sh. 100,000, lakini bila aibu wanunuzi wananunua kwa Sh. 500, kama chuma chakavu jambo ambalo ni la kuhujumu miundombinu ya serikali.

Kwa upande wake, Diwani wa Kata ya Sinoni Michael Kivuyo, alisema kata hiyo ina idadi kubwa ya wauzaji wa vyuma chakavu pamoja na watoto wanaoacha kwa makusudi kwenda shuleni na kujiingiza katika biashara hiyo.

Waagizwa kasi ya ukusanyaji mapato

Na Marco Maduhu, SHINYANGA

MADIWANI wa Halmashauri ya Manispaa ya Shinyanga, wameagizwa kusimamia ukusanyaji mapato, ili serikali ipate fedha za kutekeleza miradi ya maendeleo kwa wananchi.

Mkuu wa Wilaya ya Shinyanga, Jasinta Mboneko, alitoa agizo hilo juzi wakati wa kuapishwa madiwani wa Halmashauri ya Manispaa ya Shinyanga.

Alisema madiwani wana jukumu la kwenda kusimamia ukusanyaji mapato, ili serikali ipate fedha ambazo zitatekeleza miradi mbalimbali ya maendeleo, ikiwamo ujenzi wa vyumba vya madarasa.

"Mnapokuwa kwenye usimamizi wa ukusanyaji mapato, hakuna kumfumbia mtu macho kwa sababu serikali ambayo haikusanyi mapato haiwezi kusonga mbele," alisema Mboneko.

Pia aliwataka madiwani hao wakasimamie fedha za miradi ya maendeleo ambayo inatekelezwa kwenye maeneo yao, ili ijengwe kwa kiwango kinachotakiwa pamoja na kuibua miradi mipya.

Naibu Waziri wa Nchi Ofisi ya Waziri Mkuu, Kazi, Vijana na Ajira, Patrobas Katambi, ambaye ni Mbunge wa Shinyanga Mjini, aliwataka madiwani hao, wakafanye kazi ya kuwatumikia wananchi na si kutanguliza maslahi yao binafsi.

Mstahiki Meya wa Manispaa ya Shinyanga, David Nkulila, aliahidi ataisimamia vizuri halmashauri kwa kushirikiana pia na madiwani, ili kuhakikisha mji wa Shinyanga una kuwa kimaendeleo.

RIPOTI MAALUM

Soko la ndizi laporomoka

■Kagera, Kaskazini walia, Mbeya kicheko

Na Waandishi Wetu

BAADHI ya wakulima wa ndizi nchini, wamelalamika kuporomoka kwa soko la bidhaa zao kiasi cha kulazimika kuuza kwa bei ya hasara na wengine kutupa bidhaa zao zinapooza.

Uchunguzi wa Nipashe katika mikoa ya Kilimanjaro, Arusha, Kagera na Mbeya, umebaini bei ya zao hilo imeporomoka na baadhi ya wakulima wanalazimika kuuza mkungu wa ndizi kwa Sh. 500.

Nipashe ilipomtafuta Waziri wa Kilimo, Profesa Adoph Mkenda, kuzungumzia suala hilo, alisema kwa sasa msisitizo wameuweka katika uwekezaji na biashara kuhakikisha mazao yanayozalishwa nchini yanaongezwa thamani.

Alisema uongezwaji wa thamani katika mazao yote utasaidia kumwongezea mkulima kipato na kuleta unafuu wa maisha kiuchumi.

"Kwa sasa serikali inaendelea kuwasisitiza wananchi kujiunga katika ushirika ili wawe na sauti moja na kutafuta masoko kwa pamoja ikiwa bidhaa hizo zitaongezwa thamani," alisema.

Gladness Kiungai, mfanyabiashara wa ndizi katika Soko la Tengeru, alisema kwa miaka miwili sasa bei ya ndizi imeshuka ukilinganisha na miaka ya nyuma.

Alikumbusha kuwa mwaka 2018, mkungu mkubwa wa ndizi wenye vichani 10 walikuwa wakiuuza kati ya Sh. 50,000 na 70,000 lakini kwa sasa wanauuza kwa Sh. 20,000 hadi Sh. 25,000.

"Mwaka 2018, kati ya Oktoba hadi Desemba ndizi zilikuwa zinauzwa kwa bei ya Sh. 50,000 hadi 70,000, lakini kuanzia mwaka 2019, bei imeshuka sana," alilalamika Gladness.

Alisema kufungwa kwa mipaka kutokana na ugonjwa wa Covid-19 na kutokuwapo kwa soko la uhakika la kuuzia bidhaa hiyo, kumechangia kushuka kwa bei ya ndizi.

"Mipaka ilipofungwa kutokana na ugonjwa wa corona, wanunuzi walisitisha kununua ndizi. Pia, kufungwa kwa baadhi ya hoteli kubwa za kitalii katika Mkoa wa Arusha kuliathiri na kusababisha bei ya ndizi kushuka kwa kasi," Gladness alibainisha.

Mfanyabiashara mwingine wa ndizi jijini Arusha, Beatrice Nanyaro, alitaja sababu nyingine ya kuporomoka kwa bei ya ndizi kuwa ni kushuka thamani kutokana na ongezeko la wakulima wa zao hilo ilhali hakuna wanunuzi.

"Mwaka huu wa 2020, ndizi zimeshuka kabisa, ukienda sokoni unanunua kwa Sh. 1,500 hadi 3,000 mkungu wa ndizi ambao awali ulikuwa ukiuzwa kiasi cha Sh.10,000.

"Ugonjwa wa corona na kukosekana kwa soko la nje la uhakika kumeathiri sana kilimo cha ndizi, kimekuwa kilio kikubwa kwa wakulima, tunaiomba serikali yetu itusaidie kutafuta soko la uhakika

kwa kuwa biashara hii ndiyo inatuingizia kipato cha kulisha familia na kusomesha watoto wetu," alisema .

Mary Kiungai na Sifaeli Akyo, wakulimaa wa ndizi katika Kitongoji cha Stoni, Kata ya Sing'isi, walisema kilimo cha ndizi kilikuwa kikiwanufaisha awali kwa kuwa waliuza ndizi kwa bei ghali.

"Miaka ya nyuma mwezi kama huu (Desemba) tulikuwa tunawauzia wafanyabiashara ndizi kwa gharama ya juu, lakini mwaka huu tena mwezi Desemba tunaotegemega bei kupanda, imekuwa tofauti kabisa, ndizi zimekuwa bwerere.

"Kwa sasa kilimo cha ndizi kimekuwa hasara kwa wakulima kwa kwa tunauza ndizi mkungu Sh. 500 mpaka 1,000 kwa kuwa wafanyabiashara nao wanasema hakuna wanunuzi," Akyo alilalama.

Mwenyekiti wa wafanyabiashara wa ndizi katika Soko la Tengeru, Angness Kitomari, alisema kushuka kwa bei ya bidhaa hiyo, kumesababishwa na kuyumba kwa uchumi kutokna na mlipuko wa virusi vya corona na ongezeko la wakulima wa zao hilo. Alisema awali kulikuwa na wasafirishaji wa bidhaa hiyo waliyoipeleka Kenya kupitia Mpaka wa Namanga lakini kutokana na corona, mipaka ilifungwa, hivyo wanunuzi hao hawaendi tena kwenye masoko kununua zao hilo.

VIWANDA VIDOGO

Mkoani Kilimanjaro, wakulima wa ndizi wanaiomba serikali kuwasaidia mashine zitakazowasaidia kuanzisha viwanda vidogo vya kuongeza thamani zao hilo.

Wamesema kwa sasa mkungu mmoja wanauuza shambani kwa Sh. 2,500 kutoka Sh. 10,000 walivyouza awali na wakati mwingine hali inakuwa mbaya zaidi na kulazimika kuuza mkungu kwa Sh. 500.

Katika Soko la Mwika wilayani Moshi, mkulima Neema Urio, aliambia Nipashe juzi kuwa walikuwa wakiuza mkungu mmoja kwa Sh. 10,000 kwa ndizi za vichane sita na Sh. 25,000 kwa ndizi za vichane 15.

"Kwa sasa hakuna soko kabisa, ndizi ya vichane vitatu inauzwa kwa Sh. 500 na ya vichane 15 inauzwa kwa Sh. 3,000 hadi 5,000, tunaiomba serikali kuangalia namna ya kuwasaidia wakulima ili kujikimu kiuchumi," alisema.

Zawadi Uwiso, mkulima wa Uru Mawela, alisema zipo baadhi ya aina ya ndizi hazina soko kabisa, hivyo wakulima kulazimika kuziacha ziozee shambani.

"Hii inasababisha mkulima kutonufaika na zao hilo kwani kwa sasa imepelekea hadi pombe ya mbege kushuka kutoka Sh. 15,000 kwa ujazo wa lita 20 hadi kufikia Sh. 6,500," alibainisha.

Delisia Masawe, mkazi wa Kata ya Kisale wilayani Rombo, alisema soko hilo kushuka ni kutokana na mipaka ya nchi za jirani kufungwa tangu kulipuka kwa ugonjwa wa Covid-19. Alisema mkungu uliokuwa unauzwa Sh. 25,000 kwa sasa unauzwa Sh. 3,000 hadi 5,000.

"Kwa sasa ndizi zinaiva shambani, hatuna sehemu ya kupeleka, hata tukipeleka sokoni bado gharama ni kubwa sana hasa katika kusafirisha, nako ukifika hakuna masoko.

"Kipindi cha nyuma, tulikuwa na uwezo wa kusafirisha ndizi hadi Dar es Salaam kwa ajili ya kusafirisha nje, lakini kwa sasa wafanyabiashara hao wamekuwa wakichukua kiasi kidogo cha kutosheleza Dar na mikoa jirani," alisema.

Teddy Felix, mfanyabiasha wa ndizi katika Kijiji cha Uru Kitandu, alisema awali walikuwa wanapakia gari aina ya fuso 10 hadi 12 kwa siku lakini sasa zinapita hadi siku mbili bila kupata kazi ya kupakia ndizi.

Mkurugenzi wa Wilaya ya Rombo, Godwine Chacha, alisema kwa sasa kumekuwa na ongezeko la ndizi na kudorora kwa bei ya zao hilo kutokana na mipaka kufungwa.

Alisema kuwa katika kuhakikisha wanatatua tatizo hilo, Wizara ya Kilimo imeichagua Rombo kuwa miongoni mwa wilaya 30 ambazo zinatarajiwa kuboresha sekta ya kilimo na mifugo.

Alisema miongoni mwa mazao waliyoyandikwa kuingia kwenye mradi ni parachichi, ndizi na kahawa.

"Ndizi nyingi kutoka za Rombo zinauzwa nchi jirani ya Kenya lakini kufuatia mlipuko wa Covid-19, Watanzania wengi wamekuwa na hofu ya kupeleka ndizi huko.

"Tumefanya jitihada mbalimbali za kuhakikisha tunawasaidia wakulima wetu ikiwa ni pamoja na kushirikisha mashirika yasiyo ya kiserikali kuwekeza katika uongezaji wa thamani.

"Pia, kuna taasisi binafsi ambayo kwa sasa ipo wilayani Rombo inawaelimisha wakulima namna bora ya kuacha tabia ya kuuzia mazao ya ndizi yakiwa shambani na badala yake kukusanya na kutafutafa soko la pamoja katika mikoa mbalimbali ndani ya nchi," alisema.

Simoni Msoka, Ofisa Kilimo Mkoa wa Kilimanjaro, alisema ndizi mkoani huko zimeongezeka kwa kiwango kikubwa kutokana na mvua nyingi zilizonyesha, hivyo kuwa nafuu kwa mlaji na tatizo kwa mkulima.

Alisema jitihada za makusudi zinaendelea katika kuhakikisha wanapatikana wawekezaji watakaosaidia kuongeza thamani kwa bidhaa hizo ili kuleta tija kwa mkulima.

Mkoani Kagera, baadhi ya wakulima wa zao hilo wamelalamikia kukosekana kwa soko, hivyo kuendesha kilio kwa hasara.

Ruga Chiiza, mkulima wa zao hilo kutoka Kata ya Kitwe wilayani Kyerwa, alisema soko limeshuka na kuna haja serikali kuandaa mkakati kuwanusuru wakulima.

Chiiza alisema amefanya kazi hiyo kwa zaidi ya miaka 20 na kwamba kumekuwa na mabadiliko ya bei kupanda mara kwa mara lakini mwaka huu wanashuhudia kushuka zaidi. Alisema ndizi shambani inauzwa kwa Sh. 1,500 hadi 4,000 kwa mkungu kutegemea na ukubwa na ubora wa bidhaa.

"Maandalizi yanategemea eneo la ukubwa wa ardhi, mimi nina ekari mbili, kwa mwezi ninavuna mikungu zaidi ya 30 au kwa wiki 12, ukiangalia gharama nimetumia Sh. milioni moja, mbolea gari ndogo Sh. 25,000 na kubwa ni Sh. 50,000. Hii bei ya sasa ni hasara tupu," alilalamika.

Ofisa Kilimo wa Mkoa wa Kagera, Baraka Rwise, alikiri uzalishaji wa zao umekuwa mwingi, lakini tatizo liko kwenye upatikanaji wa soko.

Alibainisha kuwa Mkoa wa Kagera unazalisha ndizi takribani tani milioni 2.4 kwa mwaka lakini ni nusu tu inayouzwa na kutumika na kiasi kingine kinaharibika.

MBEYA HALI TOFAUTI

Wakati hali ya soko ikiwa mbaya kwa mikoa ya Kagera, Arusha na KIlimanjaro, mkoani Mbeya bei ya ndizi imepanda kutoka wastani wa Sh. 8,000 hadi 13,000 kwa mkungu mmoja ndani ya kipindi cha miezi miwili kuanzia mwezi Novemba katika baadhi ya masoko ya Jiji la Mbeya.

Kupaa kwa bei ya bidhaa hizo kunadaiwa kusababishwa na hali ya hewa katika kipindi hiki cha baridi wilayani Rungwe, mahali ambako ndizi hizo zinalimwa kwa wingi kulinganishwa na maeneo mengine ya mkoa huo.

Wafanyabiashara wa soko la Uyole wanasema katika kipindi hiki cha baridi wilayani Rungwe, ndizi huchelewa kukomaa na hivyo kusababisha uhaba wa zao hilo sokoni.

Mmoja wa wafanyabiashara hao, Salome Medson, alisema pamoja na kwamba ndizi hizo zimepanda sokoni na hata kwa wakulima.

"Ndizi zinapokuwa chache sokoni, bei inaongezeka kwa sababu kiwango cha ndizi kinachopatikana huwa hakitoshelezi mahitaji ya wateja na hivyo tunalazimika kuongeza bei," alisema Salome.

Mfanyabiashara wa ndizi katika Soko la Kiwira wilayani Rungwe, Sifa Mwanjejele, aliliambia Nipashe kuwa ndizi aina ya jamaika wananunua shambani kati ya Sh. 2,500 na 3,000 kwa mkungu na kuziuza kwa bei ya kati ya Sh. 3,500 na 4,000. Alisema ndizi aina ya matoki zinauzwa kati ya Sh. 6,000 na 7,000 kwa mkungu na kwamba bei hizo kwa sasa zimepanda kutokana na hali ya upatikanaji kuwa ngumu kipindi hiki.

"Hizi ndizi zikifika kwenye Soko la Kiwira, tunawauzia wateja wa Malawi kuanzia Sh. 10,000 na kuendelea lakini kwa miezi ya nyuma hasa mwezi Oktoba, hakuna ndizi ambayo ilikuwa inauzwa kwa bei ya zaidi ya Sh. 8,000," alisema Sifa.

Mwaka 2017 Makamu wa Rais, Samia Suluhu Hassan, akiwa ziarani mkoani Mbeya, aliwaagiza viongozi wa Halmashauri ya Wilaya ya Rungwe kuweka mfumo mzuri wa uuzaji wa zao hilo ili wakulima wanufaike badala ya mataifa jirani ikiwamo Malawi, Zambia na Afrika Kusini kunufaika.

Jela maisha kwa kumbaka mtoto

Na Said Hamdani, LINDI

MAHAKAMA ya Wilaya ya Lindi, imemhukumu Ally Kacha (27) mkazi wa Kijiji cha Simana, Mtama, kifungo cha maisha jela baada ya kukutwa na hatia ya kumbaka mtoto wa umri wa miaka mitatu.

Hukumu hiyo ilitolewa juzi na Hakimu Mkazi Mfawidhi wa Mahakama hiyo, Maria Batraine, baada ya kuridhishwa bila shaka na ushahidi uliotolewa na upande wa mashtaka. Kabla ya kutolewa kwa hukumu hiyo, mshtakiwa aliulizwa kwa nini asipewe adhabu kali kwa kosa lililokuwa mbele yake na kujitetea kuwa alikumbwa na ibilisi wa mapenzi, huku akiomba mahakama imwonee huruma kwa madai kwamba bado ni kijana na ana mke na watoto wanaomtegemea.

"Mheshimiwa Hakimu kwa vile mahakama imeshaniona nina hatia, naomba inionee huruma na sitarudia tena kosa la aina hii kwani ni ibilisi tu alinipitia," alijitetea.

Baada ya utetezi huo, Mwanasheria wa Serikali, Emmanuel John, alisimama na kuiomba mahakama kumpatia mshtakiwa adhabu kali ili iwe fundisho kwake na wengine wenye tabia za aina hiyo, ikizingatiwa aliyemfanyia ukatili huo ni mtoto mdogo.

Pia John alidai kuwa unyama unaodaiwa kufanywa na mshtakiwa pamoja na ripoti na ushahidi uliotolewa na daktari, inaonyesha mtoto huyo alivyoumizwa na nguvu kubwa iliyotumiwa na mlalamikaji wakati wa utekelezaji wa tendo hilo.

Akitoa hukumu hiyo, Hakimu Batraine kupitia vifungu 130 kifungu kidogo cha (1) kifungu (2) (a) pamoja na 131 kifungu kidogo cha (3) Sheria ya Kanuni ya Adhabu Sura 16 ya mwaka 2019, alisema amesikiliza maombi ya pande zote mbili na kueleza kutokana na sheria kumfunga mikono, anamhukumu mshtakiwa kifungo cha maisha jela. Licha ya kifungo hicho, mahakama iliamuru mshtakiwa kumlipa mlalamikaji fidia ya Sh. milioni tatu ili zimwezeshe kuendelea na matibabu kutokana na majeraha aliyoyapata sehemu za siri.

Awali, ilidaiwa mahakamani hapo na mwanasheria John kuwa Agosti 24, mwaka huu, majira ya mchana, mshtakiwa akiwa anatambua kuwa kitendo anachokifanya ni kosa, alimbaka mtoto huyo kisha kumharibu sehemu za siri na kumsababishia maumivu makali.

Mwanasheria huyo alidai kwamba mshtakiwa alikamatwa na wananchi waliokuwa wakipita njia baada ya kusikia kelele za mtoto huyo na walipofuatilia, walimkuta (mshtakiwa) akijiandaa kuvaa nguo zake tayari kwa kukimbia baada ya kuona watu wakifuatilia kwenye eneo walilokuwapo na mlalamikaji.

Asimulia alivyomwagiwa tindikali ugomvi wa mali

Na Shaban Njia, KAHAMA

MKAZI wa Mtaa wa Nyakato Kata ya Nyasubi, Halmashauri ya Mji wa Kahama, Specioza Sylvester, amesimulia alivyomwagiwa tindikali akiwa jijini Mwanza baada ya kugombana na mumewe, Richard Majenga, alipotaka kugawana mali walizokuwa wakizimiliki.

Sylvester alitoa simulizi hiyo jana alipotembelewa na Waziri wa Katiba na Sheria, Dk. Mwigulu Nchemba, akimweleza alivyofanyiwa kitendo hicho na watu wasiojulikana na mume wake kuanza kuuza mali walizokuwa nazo zikiwamo nyumba, magari, viwanja na shule. Alisema alimwagiwa tindikali mwaka 2015 akiwa katika matembezi jijini Mwanza, alipokuwa amehamishia makazi yake baada ya kutengana na Majenga kutokana na mgogoro wa umiliki wa mali walizozitafuta walipokuwa wanaishi pamoja.

"Baada ya kupata madhara haya, familia yangu ilifanya uchunguzi na kubaini watu waliotekeleza tukio hilo walitumwa na mume wangu ili aniue na yeye amiliki mali tulizochuma pamoja. Nilipopona nilifuatilia suala hili kwenye vyombo vya sheria, lakini sikupata msaada," alisema.

Mwaka 2007, alisema walifunga ndoa na mwaka 2008 walijenga shule ya msingi (Jerusalemu) na nyumba mbili na mwaka 2013 iliibuka migogoro ndani ya ndoa na kuchukua hatua ya kuachana na mume wake kumuoa mwalimu wake aliyekuwa akifundisha katika shule hiyo na wanaishi pamoja mpaka sasa.

Kutokana na suala hilo, Waziri Nchemba ameiagiza Kamati ya Ulinzi na Usalama ya Wilaya kuchunguza upya shambulio la kumwagiwa tindikali kwa mwanamama huyo na kusitishwa kwa uuzwaji wa mali zinazomilikiwa baina yake na mumewe.

Dk. Nchemba alisema sheria na mahakama imechezewa vya kutosha, hivyo ni lazima hatua kali za kisheria zichukuliwe.

"Hakikisheni mnachunguza tukio hilo kwa kina na kunipatia taarifa na kuzuia uuzwaji wa magari unafanywa na Richard Majenga wakati bado kesi iliyofunguliwa dhidi yake ikiendelea kusikilizwa.

MWANGA WA JAMII

Ustawi jamii wabanwe ukaguzi wa 'Day Care'

UWAPO wa vituo vya malezi ya watoto (Day Care) umesaidia sana kuwapunguzia changamoto wazazi wengi ambao wamekuwa wakihangaikia malezi ya watoto wao wanapokuwa kazini na kwenye shughuli za biashara.

Wazazi wenye watoto wadogo hususan kinamama wamekuwa wakipata tabu kutokana na kutokuwa na uhakika kama watoto waliowaacha nyumbani wako salama ama wamepata huduma zinazotakiwa.

Wasiwasi huo hutokana na wasichana wasaidizi wa kazi wengi wao kutowajibika katika kutekeleza majukumu yao ya kazi.

Kutokana na hali hiyo, kinamama huona ni muhimu kuwapeleka watoto kwenye vituo vya malezi, ambako kuna uhakika wa kupatiwa huduma bora na baada ya shughuli za kazi kuwakuta wakiwa salama. Mahitaji hayo ndiyo yaliyosababisha kasi ya kuanzishwa kwa vituo hivyo, kiasi kwamba vingine vinaanzishwa bila kufuata sheria, kanuni na taratibu.

Yapo malalamiko kuwa kuna watu wamevianzisha katika mazingira hatarishi na yasiyo rasmi, huku mengine yakidaiwa kuwa vichochoroni, hivyo kwenda kinyume cha malengo ya kuanzishwa kwake.

Inawezekana wazazi wanasita kutoa taarifa za kulalamika pengine kutokana na vituo kutoza gharama ndogo. Hali hiyo inaonyesha kwamba baadhi ya mamlaka za serikali haziwajibiki, kutokana na kutochukua hatua.

Hata hivyo, tunaona kuwa hatua iliyochukuliwa na Wizara ya Afya, Maendeleo ya Jamii, Jinsia, Wazee na Watoto inaweza kuweka sawa mambo, na kuvisanya vituo hivyo kuwa mahali salama kulelea watoto wetu.

Wizara hiyo imetoa siku 14 kwa wamiliki wa vituo hivyo, kurekebisha kasoro ili watoto hao walelewe katika mazingira sahihi na kwa kujibu wa sheria.

Katibu Mkuu wa Wizara hiyo (Idara Kuu ya Maendeleo ya Jamii), Dk. John Jingu, alitoa agizo hilo jijini Arusha mwishoni mwa wiki baada ya kutembelea baadhi ya vituo na kubaini kutozingatia masharti ya utoaji wa huduma kwa watoto kama ilivyoainishwa kwenye sheria na miongozo.

Alibaini kwenye kituo kimoja kuwa eneo lake halikidhi vigezo na mazingira ya kuwa kituo cha malezi ya watoto mchana, hivyo nawapa wamiliki wake wiki mbili warekebishe upungufu wote na mtafute eneo jingine.

Pia aliwaagiza maofisa ustawi kwenda kufanya ukaguzi baada ya siku 14, kama hawajakidhi serikali itakifunga, akisema huduma ya malezi kwa watoto inapaswa kuzingatia vigezo mbalimbali, ikiwamo vyumba vya madarasa, viwanja vya michezo na wahudumu wa kutosha na wenye sifa.

Alisema wizara imepanga kufanya operesheni maalum kwenye vituo hivyo nchi nzima, ili kuendana na matakwa ya Sheria ya Mtoto Na. 21 ya mwaka 2009.

Ushahidi wa ukiukwaji wa sheria unaofanywa vituo hivyo ulitolewa na baadhi ya wasimamizi wa vituo vilivyokaguliwa, kwamba vinaendeshwa kinyume cha utaratibu ikiwamo kutokuwa na usajili na mazingira yasiyofaa kwa malezi ya watoto.

Pamoja na Katibu Mkuu huyo kuwaagiza maofisa Ustawi wa Jamii kuvikagua vituo mara kwa mara ili kubaini kasoro na kuzitafutia ufumbuzi, bado tunasisitiza kuwa uwekwe utaratibu wa kuwabana maofisa hao kufanya ukaguzi huo.

Ikiwezekana kila baada ya miezi mitatu au sita, vinginevyo, wengi hawatafanya hivyo kutokana na utendaji wa kimazoea wa kukaa maofisini.

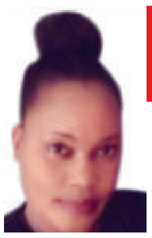
Muungwana Lazima Nilonge



Vita ukatili jinsia, tunapaswa kuwa pamoja kusaka suluhu

Na Yasmine Protace

NENO ukatili limekuwa likitajwa karibu kila siku, kupitia vyombo mbalimbali vya habari na hata watu mbalimbali utasikia wanazungumza mtu kafanyiwa ukatili.

Ukatili upo na umekuwa ukifanywa na baadhi ya watu kwa kuwafanyisha watoto, wanawake na hata watu wa jinsia tofauti madhila tofauti.

Sababu za ukatili huo zimekuwa zikitajwa kwa namna tofauti kwamba upo ukatili wa kupigwa, wa kingono, maneno na hata kibiashara.

Ni baadhi ya mfano wa matukio ya ukatili. Muhimu ni jamii kuwa na nguvu ya pamoja ili kuutokomeza, katika nguvu ya pamoja kusaka mafanikio. Tunapozungumzia nguvu ya pamoja, tunamaanisha kuwa hata wanapofanyiwa matukio ya ukatili, wanapaswa watoe taarifa ili wahusika wachukuliwe hatua stahiki kisheria. Na wale wanapofanyiwa ukatili watoe taarifa, ni muhimu kutoa ushirikiano, hasa pale zinapofunguliwa ili mtuhumiwa akipatikana, hatua ichukuliwe.

Kama jamii ikisimama vizuri kusonga mbele, walalamikaji na mashahidi wakajitokeza mahakamani, ni hali itakayosaidia kuondokana na ukatili, kwa sababu kuna hatua ya kusonga mbele kufikia mafanikio ya ukomeshaji.

Katika kupambana na matukio ya ukatili wa kijinsia, serikali imeanzisha jumla ya kamati 16,313 ambazo zipo kila kona ya nchi, kwa ajili ya kupambana na matukio ya ukatili.

Dalius Demasi, Ofisa Ustawi wa Jamii kutoka Wizara ya Afya Maendeleo ya Jamii, Jinsia Wazee na Watoto, katika maadhimisho ya Siku 16 za Kupinga Ukatili wa Kijinsia, jijini Dar es Salaam. Demasi anasema, katika viwanja vya TGNP Mtandao, kwamba kuanzishwa kamati hizo kila kona ni mikakati ya kupambana na ukatili.

Anaongeza kuwa serikali imetekeleza mpango wa kupambana na ukatili ambao mpango huo upo katika ilani na serikali imefanya jitihada mbalimbali kuanzisha mafunzo ya kuwalinda wanawake na watoto dhidi ya matukio ya ukatili.

Ofisa huyo wa Ustawi wa Jamii, anaongeza kuwa katika kupambana na matukio ya ukatili madawati ya kusikiliza matukio hayo yameanzishwa Magereza, Polisi na vyuo vikuu, lengo ni kupata taarifa za matukio ya ukatili wa kijinsia na kuyashughulikia.

"Mbali na kuanzishwa kwa madawati magereza, polisi na vyuo, pia wameanzisha madawati katika baadhi ya shule, ili wanafunzi waweze kutoa taarifa pale wanapofanyiwa ukatili wa kijinsia," anasema.

Anna Makinda, mgeni rasmi katika maadhimisho hayo ambayo asasi ya TGNP Mtandao hivi karibuni iliyaadhimisha katika mkzi yao, anasema katika kutokomeza ukatili unatakiwa kuwapo nguvu ya pamoja.

Mama huyo aliyewahi kuwa Spika wa Bunge nchini, anasema kila mmoja katika nafasi yake anatakiwa kupaza sauti, ili kuhakikisha ukatili huo unatokomea.

"Kila mmoja katika nafasi yake apaze sauti ya kuzungumzia ukatili wa kijinsia, kwani kutokomeza ukatili wa kijinsia ni kulinda haki za binadamu," anasema.

Anaeleza kuwa, Taifa lisilo na ukatili wa kijinsia ndilo lenye maendeleo na haki za binadamu ni lazima zizingatiwe, hivyo usalama wa wanawake na watoto ni muhimu sana katika kuwalinda dhidi ya ukatili.

Mama huyo anautafsiri ukatili wa kijinsia unaigharimu dunia, huku akitaja takwimu za kitaifa za mwaka 2015/2016, kwamba kuna asilimia 40 ya wanawake wenye umri kati ya miaka 15 na 49, walishafanyiwa ukatili wa kipigo na ngono.

Anaitaja mikoa ya Kagera, Mwanza na Kigoma kuna matukio ya ukatili yanayoongezeka katika jamii na inatakiwa elimu muhimu kupunguza ongezeko la ukatili wa kijinsia.

Hadi sasa serikali imeshatekeleza mikakati ya kupambana na matukio ya ukatili, akirejea lengo la mwaka 2022 linanuia kufika mbali kupunguza matukio ya ukatili dhidi ya wanawake na watoto na Makinda anaongeza kuwa, ni hali inayokwaza uchumi nchini.

Mkurugenzi Mtendaji wa TGNP Mtandao, Liliani Liundi, anasema kuwa Kampeni ya Kupinga Ukatili wa Kijinsia ya Siku 16 Kitaifa, anatoa mfano wa kwingineko kwamba kuna historia wanawake watatu kutoka visiwa vya Dominika, waliuawa baada ya kupinga ukatili kwa jinsia yao.

Anasema mwaka 1999 duniani ilipitishwa rasmi Siku ya Kupinga Ukatili wa Kijinsia, katika kupambana na matukio ya ukatili duniani na jamii inatakiwa kuwa mstari wa mbele kupinga.

"Wanapofanyiwa ukatili wengi wao, hawazifikii ndoto zao ambazo walikuwa wamejipanga hapo baadaye walitaka wawe kina nani," anasema.

BAWACHA yawajia juu kina Mdee

Na Maulid Mmbaga

BARAZA la Wanawake wa Chama cha Demokrasia na Maendeleo (BAWACHA), limewajia juu Halima Mdee na wenzake 18 waliofukuzwa, kwa madai ya kutumia nyaraka, nembo na bendera za chama kujisafisha.

Kwa mujibu wa taarifa iliyotolewa jana na Makamu Mwenyekiti wa BAWACHA Zanzibar, Sharifa Suleiman, wamebaini kuwa wabunge hao wanashirikiana na mamlaka za waliodai ni watesi wao kwa kuandaa kongamano la wanawake.

Alisema wabunge hao si viongozi wala wanachama wa CHADEMA tangu Novemba 27, mwaka huu, walipovuliwa nafasi zao na kufukuzwa uanachama kwa kushiriki mambo aliyodai haramu.

Sharifa alisema wabunge hao wanatumia nembo na jina la CHADEMA kuwahadaa na kughiribu baadhi ya viongozi na kinamama wa BAWACHA kwa fedha, ili wafike Dar es Salaam kwenye mkusanyiko wanaouandaa kwa jina la wanawake wa CHADEMA.

"Katika hatua hii ya awali, tunawapongeza kinamama na viongozi wa BAWACHA waliokataa hadaa na hongo walizopewa au kuahidiwa. Tunatambua wako wanawake ambao wamewajibu pasipo shaka na kuwaambia kuwa hawana tena mamlaka ya kuwaita kwa jambo lolote linalohusu CHADEMA na hawana hadhi ya kushirikiana na wanachama katika masuala yanayohusu CHADEMA kwa sababu si wanachama wa chama hiki tena wala baraza letu," alisema.

Pia alisema wanaendelea kufuatilia nyendo za wabunge hao, ikiwamo kuchukua hatua za haraka kwa kuzuia matumizi mabaya ya nembo za BAWACHA na CHADEMA ikiwa mwendelezo wa alichodai ni uhalifu dhidi ya taratibu za kisheria zinazohusu chama.

Alisisitiza kuwa viongozi wa baraza katika ngazi ya mkoa, wilaya, majimbo na kata kwamba BAWACHA na CHADEMA hawajaandaa kongamano lolote la wanawake.

Sharifa aliwataka wanawake wa BAWACHA na CHADEMA kwa ujumla kuwa imara wakati wakiendelea kujipanga kwa ajili ya kutekeleza maazimio ya kamati kuu, ikiwa ni pamoja na kuziba nafasi za waliofukuzwa.

"Tuzidi kuwa imara kama jadi yetu kwa kusimama na chama chetu pia kufahamishana kuwa uamuzi wa kuwafukuza uanachama Halima Mdee na wenzake 18 unaendelea kutamalaki, kutekelezwa na haujabadilika.

"Mwanachama au kiongozi yeyote atakayeshirikiana na watu hao katika mienendo yao, atambue atakuwa anakiuka taratibu na maamuzi ya chama na atachukuliwa hatua stahiki kwa mujibu wa katiba ya chama na mwongozo wa BAWACHA," alisema.

CRDB yamwaga zawadi ya funga mwaka

Na Mwandishi Wetu

BENKI ya CRDB imetoa zawadi kwa wanafunzi wa vyuo mbalimbali nchini ikiwa ni sehemu ya kampeni ya JIPE 5 ambayo ilizinduliwa Oktoba, mwaka huu, ili kuhamasisha Watanzania kujiwekea akiba kuelekea mwisho wa mwaka.

Meneja Mwandamizi wa Wateja Binafsi wa CRDB, Abel Lasway, aliwaambia waandishi wa habari jana kuwa hadi jana, benki tayari imeshatoa zawadi zinazofikia Sh. milioni 20. Zawadi hizo zimetolewa kwa zaidi ya wateja 4,000 huku zaidi ya akaunti 74,000 zikiwa zimekwisha funguliwa.

“Tunawashukuru sana Watanzania kwa kuipokea vyema kampeni ya Jipe Tano. Mafanikio yaliyopatikana si tu ni kwa faida ya CRDB bali yanaonyesha ni kwa jinsi gani benki imeweza kuwajumuisha Watanzania wengi katika mfumo rasmi wa huduma za fedha,” alisema Lasway.

Meneja huyo alisema katika kampeni hiyo ya Jipe Tano, makundi mbalimbali ya wateja yamezawadiwa na kwa mwezi huu, Benki inawazawadia ada za shule wazazi wanaofungua akaunti ya watoto za Junior Jumbo. Alisema jumla ya Sh. milioni 30 zimeandaliwa kwa ajili ya kutolewa kama zawadi ya ada kwa akaunti za watoto za Junior Jumbo zitakazofunguliwa mwezi Desemba.

“Benki ya CRDB tunajinasibu kwa kaulimbiu yetu ya “Ulipo Tupo” ambayo haiishii tu kufikisha huduma mahali ambapo wateja wetu wapo bali inalenga kuhakikisha benki inakua pamoja na mteja katika hatua zote za maisha yake,” aliongezea Lasway.

Sambamba na zawadi hizo kwa akaunti za akiba na watoto, alisema CRDB pia ililenga kundi la wanafunzi wa vyuo ambavyo vimefunguliwa hivi karibuni. Timu ya mauzo ya benki iliweka kambi katika vyuo mbalimbali, ili kutoa elimu ya masuala ya fedha na kutoa huduma za kufungua akaunti kwa wanafunzi.

Akizungumza baada ya kutangazwa kuwa mshindi wa ‘laptop’ (kompyuta mpakato), Jackline Masayanyika, mwanafunzi kutoka Chuo Kikuu cha Mtakatifu Agustino, jijini Mwanza, alisema kuwa zawadi hiyo itakuwa msaada mkubwa katika masomo yake ikizingatiwa uwapo wa fursa nyingi za masomo zinazopatikana mtandaoni.

Hukumu kesi ya mauaji ya Mawazo wiki ijayo

Hakimu Mahimbali alisema hayo baada ya upande wa Jamhuri na wa utetezi kumaliza kutoa ushahidi wao.

Upande wa Jamhuri ulipeleka mashahidi 13 na vielelezo nane, huku upande wa utetezi ukipeleka mashahidi watatu na vielelezo vitatu.

Ahueni huduma tiba ya saratani KCMC

Na Mwandishi Wetu, MOSHI

HOSPITALI ya Rufani ya KCMC, imewapunguzia mzigo wagonjwa wa saratani wanaotokea mikoa ya Kanda ya Kaskazini, Kati na nchi jirani, kusafiri umbali mrefu kufuata tiba hiyo jijini Dar es Salaam.

Hatua hiyo inatokana na hospitali kuzindua wodi ya saratani yenye uwezo wa kuchukua wagonjwa 47 kwa wakati mmoja.

Ujenzi wa wodi hiyo umetumia Sh. bil. 1.8 hadi kukamilika kwake. Kiasi kikubwa cha fedha hizo kimetolewa na wafadhili kutoka Foundation For Cancer Care in Tanzania (FCCT), ikishirikiana na Shirika la Msamaria Mwema (GSF).

Mkurugenzi Mtendaji wa Hospitali hiyo, Prof. Gileard Masenga, jana alimweleza Mkuu wa Kanisa la Kiinjili la Kilutheri Tanzania (KKKT), Askofu Dk. Fedrick Shoo, wakati wa hafla ya uzinduzi wa wodi hiyo yenye vyumba 10 kwamba hata watumishi wa hospitali hiyo wamechangia ujenzi kwa kukatwa asilimia mbili katika mishahara yao.

"Tunamshukuru Mungu kwa jengo hili na vifaa tulivyokuwa navyo, ila tatizo kubwa ni wataalamu wa kuwahudumia wagonjwa watakaokuwa wamelazwa katika wodi hii. Kwa sasa tumeomba serikali kutupatia wafanyakazi hao," alisema.

Aidha, alisema tatizo lingine linaloikabili kwa sasa ni kutokuwapo kwa huduma ya kutibu saratani kwa njia ya mionzi. Ujenzi wa jengo la mionzi yaani 'bunker for radiotherapy' pamoja na mashine inagharimu Sh. bilioni saba.

Katika hotuba yake, Prof. Masenga alisema wanaishukuru serikali kwa kuahidi kusaidia sehemu ya ujenzi wa jengo hilo la mionzi kwa kuchangia Sh. bilioni mbili. Kwa mujibu wa Prof. Masenga, tangu kuanzishwa kwa huduma ya saratani hospitalini hapo mwaka 2016, wagonjwa 24,823 wamepatiwa huduma na kati yao wagonjwa 2,945 ni wapya.

Askofu Dk. Shoo ambaye ni Mwenyekiti wa Bodi ya Wadhamini wa Shirika la Msamaria Mwema linalomiliki KCMC, aliishukuru serikali kwa kulisaidia kanisa kwa sehemu kubwa watumishi wa hospitali hiyo, lakini kuahidi kuwawezesha fedha za kujenga jengo la tiba ya mionzi.

"Serikali yetu imeonyesha nia nzuri katika kuunga mkono jitihada za kanisa, kwa mchango wake wa huduma za afya hapa nchini, ni imani yangu kwamba serikali yetu sikivu itapokea ombi hili na kutuwezesha kufikia ndoto yetu ya kujenga jengo la mionzi.

Lakini nawashukuru sana marafiki zetu wa kule Marekani (Foundation For Cancer Care), Mission One World lakini vile vile ndugu zetu wa Kanisa la Bavaria kutoka nchini Ujerumani, kwa msaada mkubwa ambao wametupa wa vitanda na magodoro ya wodi nzima," alisema Dk. Shoo.

Neema yanukia wakulima mkonge

Na Mwandishi Wetu

NEEMA inanukia kwa wakulima wa mkonge nchini baada ya Kampuni ya Mkonge ya Grosso kuweka wazi kuwa inatarajia kuwekeza Dola milioni 5.7 (Sh. bilioni 132.8) kwa ajili ya kilimo na viwanda vya zao hilo.

Kampuni hiyo yenye maskani yake Uholanzi, imeingia nchini kwa ajili ya uwekezaji katika sekta ya kilimo hususan zao hilo.

Mkurugenzi Mtendaji wa kampuni hiyo, Nuradin Osman, aliwaambia waandishi wa habari jijini Dar es Salaam juzi, kuwa amebaini uzalishaji wa mkonge nchini hauna ufanisi kama inavyotakiwa kulinganisha na hali ilivyo duniani.

"Bado kuna pengo kubwa la uzalishaji, teknolojia hafifu na faida ndogo kwa wakulima, wawekezaji na wadau wengine katika sekta hiyo.

"Kutokana na hali hiyo, sekta haiwezi kuvutia soko la kimataifa, jambo ambalo linaathiri uchumi wa nchi.

"Mnyonyoro wa thamani wa zao hilo hautumiki ipasavyo kwani asilimia mbili ya nyuzi zinazopatikana na mazao mengine yote yanaachwa. Hali hii inapoteza faida ya zao hilo katika mnyororo wa thamani," alisema.

Osman alisema uwekezaji wao unakusudiwa kuwa katika vipindi viwili vikiwa na lengo la kufufua zao hilo lililokuwa miongoni mwa mazao makubwa ya kibiashara nchini.

"Kiasi cha Dola milioni 5.7 kitaingizwa kwenye ukuzaji wa zao la mkonge kwa kuanzisha viwanda vya kuchakata mkonge vitakavyoongeza thamani. Lengo letu ni kukuza thamani ya mkonge nchini," alisema.

Alisema awamu ya kwanza itajikita katika kuimarisha mfumo wa huduma kwa wateja.

Alisema kampuni itaanzisha mikakati ya kuunganisha wazalishaji ambao ni wakulima na wateja duniani kote.

"Kampuni itatoa Dola 700,000 katika awamu ya kwanza. Taarifa za Shirika la Chakula na Kilimo la Umoja wa Mataifa (FAO) zinaonyesha uzalishaji hautoshi na hivyo kuna haja ya kuwa na uzalishaji zaidi," alisema.

"Utekelezaji katika awamu ya pili utakuwa pamoja na kuanzisha mfumo wa kuongeza thamani katika sekta. Grosso Sisal inalenga kuongeza thamani ya zao la mkonge kwa kuzalisha vileo, vyakula vya wanyama na sukari itokanayo na mkonge na kemikali inayozalisha nishati," alisema.

Chalamila asimamia ubomoaji nyumba ya aliyegoma

Na Grace Mwakalinga, MBEYA

MKUU wa Mkoa wa Mbeya, Albert Chalamila, amesimamia zoezi la kubomoa nyumba ya Atony Lyuba, mkazi wa Kata ya Inyala, Halmashauri ya Wilaya ya Mbeya, baada ya kukaidi agizo la kubomoa kwa hiari nyumba yake.

Uamuzi wa Mkuu wa Mkoa, ulitokana na Lyuba kukaidi agizo la kupisha mradi wa ujenzi wa barabara yenye urefu wa kilomita 16.7 ambao unajengwa kwa kiwango cha lami kuanzia Inyala hadi eneo la Simambwe, baada ya viongozi mbalimbali wa serikali kumtaka avunje nyumba yake kwa hiari na kugoma.

"Nimeamua nije mwenyewe kubomoa nyumba yako, maana kila wakati tulikuomba kwa hiari yako, lakini uligoma, haiwezakani wenzako wote wakubali kubomoa halafu wewe peke yao ugome kama ni imani za kishirikina basi tutaziona," alisema Chalamila.

Mkandarasi wa mradi huo, Imelda Ngailo, alisema hatua ya Lyuba kugoma kubomoa nyumba, kumecheleweshwa ya shughuli ujenzi kwa kuwa nyumba yake kuwa katikati ya hifadhi ya barabara.

Alisema mradi huo ulianza mwezi Aprili, mwaka huu na ulitakiwa kukamilisha Desemba, lakini kutokana na kikwazo hicho utachelewa kukamilika kwa mujibu wa mkataba.

Baadhi ya wananchi walipisha mradi huo walipongeza hatua ya serikali kubomoa nyumba hiyo na sasa ujenzi utaendelea kama kawaida.

Miongoni mwa wakazi hao, John Moses, alisema walishangazwa na kitendo cha Lyuba kugoma kubomoa nyumba yake ambayo ilikuwa katika hifadhi ya barabara ilhali wao walikwishachukua uamuzi.

Kwa upande wake, Lyuba alikanusha madai ya yeye kugoma kubomoa nyumba na kuwa hakuna kiongozi yeyote aliyemfuata kumpa maelekezo.

"Hakuna mwenyekiti wa kijiji wala kata aliyekuja kwangu kuniambia nibomoe nyumba zaidi nikifika ofisini kwako mkuu wa mkoa na nikaamuriwa kuwa niko chini ya ulinzi kwa kukaidi agizo la kubomoa kwa hiari nyumba yangu," alisema Lyuba.

HakiElimu yataka wanafunzi kugundua vipaji, kuvitumia

Na Gwamaka Alipipi

WANAFUNZI wa kidato cha tano na sita wametakiwa kugundua vipaji vyao na kuvitumia katika kutatua kero zilizopo katika jamii, kwamba kupitia vipaji walivyonavyo wana uwezo wa kuleta mabadiliko na maendeleo nchini.

Rai hiyo ilitolewa na Mkurugenzi Mtendaji wa Taasisi ya HakiElimu, John Kalaghe, wakati wa ugawaji tuzo ziitwazo Uwezo, zilizoandaliwa na Shirika lisilo la Kiserikali la Great Hope Foundation, kusema kuwa vijana wananguvu ya kuleta mabadiliko katika jamii kupitia uvumbuzi.

"Wanafunzi wa sekondari wananafasi kubwa ya kuleta mabadiliko katika jamii na nchi kwa ujumla, lakini kwanza wanatakiwa kuanza kugundua vipaji walivyonavyo na kuvitumia," alisema Kalaghe. Kalaghe alieleza kuwa wanafunzi wa sekondari hususani wa kidato cha tano na sita ndiyo wanaopaswa kuleta mabadiliko ya namna jamii inavyopaswa kuishi kupitia vipaji vyao halisi.

Tuzo za Uwezo zimebuniwa na Shirika lisilo la kiserikali la Great Hope Foundation (GHF), zikiwa na lengo la kubaini vipaji vya wanafunzi wa sekondari, namna ya kuviendeleza kupitia mashindano ya ubunifu kwa mikoa ya Dar es Salaam na Pwani.

Kwa mwaka huu, washindi wa tuzo hizo ni wanafunzi kutoka Shule ya Sekondari Wanaume Kibaha, Shule ya Sekondari ya Benjamin William Mkapa, pamoja na Shule ya Sekondari ya Hananasif. Kalaghe alisema wanafunzi wa sekondari wanapaswa kutosubiri hadi uzee wao ndipo waanze kujihusisha na masuala ya kijamii, bali wanapaswa kuanza sasa, ili kuikomboa jamii.

Naye Mkurugenzi wa Taasisi ya Great Hope Foundation (GHP) nchini, Noelle Mahuvi, alisema kwa mwaka huu shule zilizoshiriki kwenye shidano hilo zilikuwa 140 kutoka Dar es Salaam na Pwani.

Alisema kati ya idadi hiyo ni shule 35 ambazo zilipewa tuzo mbalimbali ikiwamo tuzo ya dhahabu, fedha, shaba, kwamba tangu mwaka 2016 wanafunzi kutoka shule mbalimbali wamekuwa wakipata tuzo. Alisema: "Mafanikio makubwa katika kuendesha tuzo za Uwezo ambayo tumeyashuhudia ni kuona wanafunzi wanajengewa ujuzi na ujasiri wa kufanya ujasiriamali. Tumeshuhudia watoto ambao walikuwa washiriki miradi mbalimbali ya tuzo hizi hasa wale waliokuwa viongozi wakijiingiza katika ujasiriamali."

Aliongeza: "Na kwa kuliona hili, Taasisi ya Great Hope Foundation, mwakani imekusudia kuanzisha tuzo nyingine zitakazoenda kwa jina la Uwezo Champions, kuwahamasisha hawa wanafunzi kufanya vizuri zaidi, maana tumegundua kuwa walipokuwa shuleni, tuzo za Uwezo ilikuwa ni chachu ya kuchukua hatua, lakini kwa sasa wanahitaji motisha wa aina nyingine kupiga hatua zaidi."

COSTECH yatoa changamoto uandishi wa habari za sayansi

Na Renatha Msungu, DODOMA

TUME ya Taifa ya Sayansi na Teknolojia (COSTECH), imewataka waandishi wa habari kuandika habari za kisayansi katika lugha nyepesi ambayo inaweza kuwafikia watunga sera na wadau kwa haraka.

Aidha, Tume hiyo imesema imekuwa ikiwajengea uwezo waandishi wa habari kwa kuwapa mafunzo ya jinsi ya kuandika habari za kisayansi katika lugha ambayo itaeleweka kwa urahisi, ili nao waweze kufikisha ujumbe kwa wahusika ipasavyo.

Hayo yalisemwa jana na Kaimu Mkurugenzi wa Menejimenti ya Maarifa wa COSTECH, Dk. Philbert Luhunga, wakati akifungua mafunzo kwa watafiti na waandishi wa habari ya jinsi ya kutumia lugha nyepesi katika utoaji wa taarifa za kisayansi.

"Taarifa za kisayansi zina lugha yake ambayo kama siyo mwanasayansi ni ngumu kuelewa, hivyo COSTECH imeona itoe mafunzo hayo kwa watafiti na waandishi wa habari, ili taarifa za kisayansi zipokelewe vizuri na kueleweka kwa jamii," alisema Dk. Luhunga.

Alisema watafiti wanatoa utafiti wao, lakini walengwa ambao ni watunga sera na wengineo hawapati taarifa hizo kwa usahihi kutokana na lugha ya kisayansi, ambayo wengi hawaielewi hivyo huwafanya watu kutozingatia taarifa hizo.

Mkurugenzi huyo alisema mafunzo haya kwa waandishi wa habari yatakuwa na tija kwa wanahabari, kwani watatumia kalamu zao kutoa taarifa za kisayansi katika lugha nyepesi ambayo itawashawishi watu kusoma na kuzielewa.

Dk. Luhunga alisema endapo watafiti na waandishi wa habari watatoa taarifa za kisayansi kwa lugha nyepesi, watunga sera na wadau wa sayansi watapata mrejesho na kuyafanyia kazi.

Mkurugenzi huyo alisema pia wamekuwa wakiwatia moyo wanafunzi hususani watoto wa kike kusoma masomo ya sayansi, ili hapo baadaye taifa liwe na wanasayansi wengi kwa ajili ya maendeleo ya nchi.

Naye Dk. Bakary Msangi, mwezeshaji katika mafunzo hayo, alisema anaamini mafunzo hayo yanakwenda kuwajengea uwezo wanahabari kutoa taarifa za kisayansi za kina na zenye uhakika kwa jamii.

Alisema jamii inapaswa kutumia taarifa za kisayansi kufanya maamuzi katika kitu chochote ambacho wanakwenda kufanya ili ziweze kuketa matokeo chanya.

Bahi yaingia rasmi mfumo wa kidigitali

Na Paul Mabeja, BAHI

BARAZA la Madiwani wa Halmashauri ya Wilaya ya Bahi, limeanza rasmi matumizi ya mfumo wa kidijitali baada ya kununua vishikwambi 50, kwa ajili ya madiwani na wakuu wa idara vyenye thamani ya Sh. milioni 47 kwa kutumia mapato ya ndani.

Hatua hiyo imeelezwa itasaidia kupunguza gharama za uendeshaji, hivyo kuokoa Sh. milioni 50 hadi 60, ambazo zilikuwa zinatumika kwa ajili ya kuchapa taarifa mbalimbali kwa mwaka mmoja.

Akitoa taarifa ya mafanikio yaliyopatikana katika kipindi cha kuanzia Juni hadi Novemba mwaka huu katika Baraza la Madiwani la kwanza lililofanyika juzi, Ofisa Mipango wa halmashauri hiyo, Charles Mduma, alisema vishikwambi hivyo vitatumika kwa kipindi cha miaka mitano.

"Vishwambi hivi vilivyonunuliwa vipo 50 kwa gharama ya Sh. milioni 47 hiyo ina maanisha kuwa kila kishikwambi kimenunuliwa kwa Sh. 940,000. Tukiangalia matumizi yetu ya kuchapa taarifa kwa mwaka ni Sh. milioni 50 hadi 60, hivyo ukizidisha kwa miaka mitano unazungumzia Sh. milioni 350, fedha ambazo zitaelekezwa kwenye miradi ya maendeleo," alisema.

Mduma alitaja mafanikio mengine ni ukusanyaji wa mapato, ambapo katika vipindi viwili vya robo mwaka walipaswa wawe wamekusanya asilimia 50, lakini katika robo mwaka ya kwanza wamekusanya kwa asilimia 38 sawa na Sh. milioni 540.

Mafanikio mengine ni kutimiza takwa la kisheria la kupeleka asilimia 40 kwenye miradi ya maendeleo ambapo kwa halmashauri hiyo wamelitekeleza kwa asilimia 100. Mkurugenzi wa halmashauri hiyo, Dk. Fatma Mganga, alisema vifaa hivyo sio tu vimeokoa kiasi hicho cha fedha bali pia vinasaidia katika suala la utunzaji wa mazingira.

"Kupitia vishikwambi hivi hakutakuwa na kutumia makaratasi, wino na kusababisha kusambaa na kuchafua mazingira, hivyo niwaombe kuvitunza vifaa hivi ili viwe na manufaa kwa sasa na baadaye, "alisisitiza.

Katika kikao hicho madiwani walimchagua Diwani wa Kata ya Lamaiti kuwa Mwenyekiti wa Halmashauri kwa kura 29 za ndio sawa na asilimia 96.7 kati ya kura halali 30 zilizopigwa, huku makamu mwenyekiti akichaguliwa Diwani wa Kata ya Chali Pius Mwaluko kwa kura 28.

"Tunataka kufahamu kwa wale waliosoma sheria wako wapi na wanafanya nini, waliosoma afya wako wapi na wanafanya nini, ili kuwaunganisha na kuwasaidia katika kutafuta fursa mbalimbali," alisema Dk. Loisulie.

Na Grace Mwakalinga, KYELA

KAYA maskini 100 katika Wilaya ya Kyela mkoani Mbeya, zinatarajiwa kunufaika na msaada wa kulipiwa Bima ya Afya iliyoboreshwa (CHF), ambazo zitagharimu Shilingi milioni tatu fedha ambazo zimetokana na michango ya umoja wa kikundi cha Whatsapp cha Kyela Social Economy (KYESEG).

Akizungumza na Nipashe jana, Mwenyekiti wa Umoja huo, Shadrack Mwamakula, alisema fedha hizo ni miongoni mwa asilimia 40 iliyotengwa kwa ajili ya kuisaidia jamii ya Kyela katika masuala mbalimbali ikiwamo, afya na elimu.

Alisema umoja wa KYESEG umeweka utaratibu kwa kila mwaka kurudi Kyela kwa ajili ya kushirikiana na jamii ikiwa ni sehemu ya kurudisha fadhila kutokana na malezi na mambo mengine ambayo yalifanywa na wazazi au walezi na kuchangia mafanikio yao.

"Ni mwaka wa pili sasa tangu kuanzisha utaratibu wa wazawa wa Kyela kila mwisho wa mwaka kurudi nyumbani maarufu kama (IBHASA), kufanya masuala mbalimbali yanayogusa jamii ya Kyela, tuliweka utaratibu wa michango ambapo hadi sasa Wanakyela 80 wametoa michango yao na tunaendelea kupokea kutoka kwa wengine, kati ya fedha hizo asilimia 40 itatumika kwa ajili ya mambo ya kijamii ikiwamo malipo ya bima ya afya iliyoboreshwa CHF na kugharamia matibabu ya kijana anayeugulia mguu," alisema Mwamakula.

Aliwaomba wadau na viongozi mbalimbali kuwaunga mkono kwa kutoa michango ya fedha, ili kutimiza ahadi ya kuendelea kuwahudumia wananchi wenye mahitaji maalum ikiwamo vyakula, malazi na mavazi. Sambamba na hilo umoja huo pia umeahidi kuboresha miundombinu ya sekta ya afya na elimu kwa kuhakikisha huduma za matatibu zinapatikana bila usumbufu pamoja na kuwahimiza wanafunzi kuongeza bidii katika masomo, ili kuifanya wilaya hiyo kuwa kinara katika matokeo ya kidato cha nne na sita.

Baadhi ya wananchi wa Wilaya ya Kyela, walisema wamefurahishwa na utaratibu huo wa wazawa kurudi nyumbani kuungana na jamaa zao katika kushughulikia vikwazo vinavyowakabili na kwamba itasaidia kutangaza uzuri wa wilaya hiyo na kuwaomba wengine ambao bado kujiunga.

Upungufu madawati kuchelewesha wanafunzi kidato 1

Na Grace Mwakalinga, MBEYA

WAKATI Waziri wa Nchi, Ofisi ya Rais Tawala za Mikoa na Serikali za Mitaa (TAMISEMI), Selemani Jafo, akitoa siku 14 kukamilisha ujenzi wa miundombinu ya elimu nchi nzima, Shule ya Sekondari Iganzo, iliyoko katika Halmashauri ya Jiji la Mbeya, inakabiliwa na upungufu wa vyumba 10 vya madarasa.

Tatizo hilo linadaiwa kuwa litasababisha wanafunzi 430 wa kidato cha kwanza waliochaguliwa kujiunga na shule hiyo, mwezi Januari mwakani kuchelewa kuanza masomo.

Diwani wa Kata ya Iganzo, Daniel Mwanjoka, juzi alifanya ziara ya kukagua maandalizi ya ujenzi wa vyumba sita vya madarasa unaoendelea katika shule hiyo na kwamba zinahitajika Sh. milioni 55 kukamilisha vyumba hivyo.

"Januari 11 mwakani tunatakiwa vyumba vyote viwe vimekamilika ili wanafunzi waanze kusoma na ili kukamilika kiasi cha shilingi milioni 55 kinahitajika licha ya kuanza ujenzi wa vyumba hivyo, hitaji ni vyumba 10, ili kumaliza kabisa tatizo la upungufu wa vyumba vya madarasa," alisema Mwanjoka.

Aliongeza kuwa Kata ya Iganzo ina jumla ya wananchi zaidi ya 30,000 na kwamba nguvu kazi iliyopo ni 16,000 ambao ndio wanaoendelea na michango. Kutokana na hatua hiyo ya ujenzi wa vyumba vya madarasa, Mbunge wa Jimbo la Mbeya, Dk. Tulia Akson, alitoa mifuko 200 ya saruji kwa ajili ya ujenzi huo.

Dk. Tulia alifikia uamuzi huo baada ya kutembelea kuangalia hatua za ujenzi na alipongeza hatua iliyofikiwa baada ya wananchi kuamua kujitolea nguvu kazi zao.

Baadhi ya wananchi akiwamo Anthon Sanga, walimshukuru Dk. Tulia kwa kutoa mifuko 200 ya saruji ya kusaidia ujenzi wa vyumba sita vya madarasa ambavyo vitatumiwa na wanafunzi 435 wa kidato cha kwanza.

Alisema wananchi walianza kutumia nguvu kazi zao pamoja na michango ya fedha, ili kukamilisha kwa wakati vyumba vyumba hivyo na kwa mujibu wa maelekezo ya mkoa kabla ya Januari 11, mwakani viwe vimekamilika tayari kwa ajili ya kutumiwa na wanafunzi.

Mbunge wa Mbeya Mjini, Dk. Tulia Ackson ambaye ni Naibu Spika wa Bunge, akishiriki kuchimba msingi wa ujenzi wa vyumba sita vya madarasa katika Shule ya Sekondari Iganzo iliyoko Halmashauri ya Jiji la Mbeya, pia aliahidi kuchangia mifuko 200 ya saruji, ujenzi wa vyumba hivyo unatarajiwa kukamilika Januari 11 mwaka 2021, ili vitumike kwa wanafunzi 435 wa kidato cha kwanza. **PICHA: GRACE MWAKALINGA**

Watakiwa kutumia viuatilifu kwa usahihi

Na Grace Mwakalinga,

MBEYA

WAKULIMA nchini wametakiwa kutumia viuatilifu vya kudhibiti magonjwa na wadudu waharibifu wa mimea mashambani kwa usahihi, ili kuepusha uwepo wa mabaki ya viuatilifu hivyo kwenye mazao yatakayovunwa.

Wito huo ulitolewa jana jijini hapa na maofisa kutoka Taasisi ya Utafiti wa Viuatilifu nchini (TPRI), wakati wakitoa mafunzo ya matumizi sahihi ya viuatilifu kwa wamiliki wa maduka, wauzaji na wakulima wa Nyanda za Juu Kusini.

Mmoja wa maofisa hao, Jumanne Rajab, alisema mabaki ya viuatilifu kwenye mazao yanaweza kuleta athari kubwa za kiafya na kusababisha mazao hayo kukosa soko.

"Matumizi yasiyo sahihi ya viuatilifu yanasababisha kuwapo kwa kiwango kikubwa cha mabaki kwenye mazao yanayovunwa, hali hii inasababisha watumiaji wa mazao hayo kupata athari za kiafya, lakini mazao hayo yakibainika pia hayawezi kupata soko ndani na nje ya nchi," alisema Rajab.

Alisema kuwa endapo mazao ya wakulima wa Tanzania yatabainika kuwa na kiwango kikubwa cha mabaki ya viuatilifu yatakuwa kwenye hatari kubwa ya kupoteza soko la nje hususan katika nchi za Ulaya na Marekani ambako wanunuzi wanazingatia suala hilo. Rajab alisema ili wakulima waweze kujiepusha na mabaki ya viuatilifu kwenye mazao, wanapaswa kutumia viuatilifu kwa kuzingatia maelekezo ya watu waliopewa mafunzo, maofisa ughani pamoja na maelekezo yaliyowekwa kwenye vifungashio vya viuatilifu.

Mafunzo hayo ya siku tano yalifungwa na Mkuu wa Wilaya ya Mbeya, William Ntinika, ambaye aliwataka wakulima nchini kutumia vyema mvua zilizoanza kunyesha kwa kulima kwa bidii, huku wakizingatia ushauri wa wataalamu wa kilimo.

Alisema mikoa ya Nyanda za Juu Kusini ndiyo inayotegemewa kwa uzalishaji wa chakula nchini hivyo ni lazima uzalishaji uwe wa kiwango cha juu.

"Taifa lisipokuwa na chakula hata uchumi wake utayumba, hivyo wakulima tumieni vizuri mvua hizi kwa kuongeza bidii kwenye kilimo kwa lengo la kuhakikisha mnazalisha chakula kwa wingi kitakachokidhi mahitaji ya Watanzania wote," alisema Ntinika. Baadhi ya wakulima na wauzaji wa viuatilifu ambao wamehudhuria mafunzo hayo walisema wataitumia elimu waliyoipata kuwaelekeza wakulima matumizi sahihi.

Kampuni ya Kimarekani kuwekeza mradi wa kitalii

Na Rahma Suleiman, ZANZIBAR

UONGOZI wa kampuni ya kimataifa ya Vault ya Marekani yenye tawi lake Tanzania, umeiomba Serikali ya Zanzibar kuwapatia kibali kitakachowapa fursa ya kutekeleza mradi mkubwa kwenye sekta ya utalii katika ukanda wa Micheweni, Kisiwani Pemba.

Mwakilishi wa kampuni hiyo, Hirsi Divir, akiiongoza timu ya viongozi wa kampuni hiyo iliyoambatana na wenyeji wao taasisi ya kizalendo ya Tahfif ya Micheweni, alisema hayo jana, wakati akizungumza na Makamu wa Pili wa Rais wa Zanzibar, Hemed Suleiman Abdulla, Vuga mjini Zanzibar.

Divir alisema kampuni yake imeshafanya maombi ya kuanzisha mradi mkubwa wa Bare foot katika ukanda wa Micheweni iliyopangiwa kutekelezwa kwa awamu tatu na kuwasilishwa serikalini kwa hatua za utekelezaji.

Mwakilishi huyo alisema, mradi huo wa Bare foot umekusudia kujenga mgahawa wa kimataifa, nyumba za kulala watalii na wageni na kumalizia awamu ya tatu ya uimarishaji wa misitu katika eneo hilo.

Alisema Mamlaka ya Uwekezaji Vitega Uchumi Zanzibar (ZIPA), imepitia maombi yao na kuridhia walichokusudia kukitekeleza, lakini baadhi ya taasisi za serikali ikiwamo Wizara ya Kilimo, tangu mwaka 2017 yalipowasilishwa maombi hayo hadi sasa, bado hazijatoa baraka zao.

Divir alisema, wananchi wa ukanda wa Wilaya ya Micheweni, wamesharidhia uwapo wa mradi huo, ambao utatoa nafasi kubwa za ajira na kukuza pato la taifa.

Mwakilishi wa kampuni hiyo tawi la Tanzania Said Ally Said, alisema wawekezaji wa mradi huo wameingia nchini muda mrefu, lakini bado wanaendelea kuzungushwa.

Alisema inasikitisha kuona kampuni hiyo tayari imeshaanza kulipa kodi kwa eneo la ardhi waliopata la hekta saba pamoja na misitu, licha ya kutokamilika kwa upatikanaji wa leseni ya kuanza mradi hiyo.

Kwa upande wake Meneja wa Taasisi ya kizalendo ya Big Tahfif Pemba, Mohamed Makame Mohamed, alisema wananchi wa ukanda wa Micheweni, Pemba wameupokea kwa moyo mkunjufu mradi huo wanaoutazamia kuwa kichocheo cha mwelekeo wa mafanikio yao kiuchumi.

"Tunaishukuru Serikali ya Mapinduzi ya Zanzibar chini ya Jemedari wake, Rais wa Zanzibar, Dk. Hussein Ali Mwinyi, kwa umakini wake wa kutoa fursa kwa wawekezaji katika mwendo wa uharaka," alisema.

Kwa upande wake Makamu wa Pili wa Rais, alionya kuwa serikali haitaruhusu kuendelea kufanyika uzembe wa aina hiyo, wakati tayari imesharidhia kukaribisha wawekezaji kuanzisha miradi yao.

Hemed alisema haipendezi kuona mwekezaji ameonyesha nia ya kutaka kuwekeza vitega uchumi nchini baada ya kushawishika, lakini anaendelea kupata usumbufu na vikwazo vinavyochelewesha kuanza kwa mradi husika kwa utashi wa ubinafsi wa mtendaji.

Aliwahakikishia viongozi hao wa Kampuni ya Vault kwamba Serikali ya Zanzibar itachukuwa hatua za haraka katika njia ya kukwamua tatizo hilo, kwa vile jamii ya wananchi wa Micheweni imeshapata matumaini ya kujikomboa kiustawi kutokana na mradi huo.

RAIS wa Zanzibar, Dk. Hussein Ali Mwinyi, amesema serikali inahitaji kuwapo shughuli za uwekezaji, ili kuharakisha kasi ya maendeleo na kukuza uchumi wa taifa.

Dk. Mwinyi alisema hayo juzi Ikulu jijini Zanzibar, alipokutana na ujumbe wa wawekezaji wa Kampuni ya Ozuaydin kutoka nchini Uturuki, ulioongozwa na Mkurugenzi Mkuu, Mahmet Aydin, ambao umeonyesha nia ya kuwekeza katika ujenzi wa bandari, uwekaji wa vifaa pamoja na uendeshaji wa shughuli za bandari eneo la Malindi na Mpigaduri, sambamba na ujenzi wa ukumbi wa kimataifa wa mikutano.

Ujerumani yaongeza vizuizi kuelekea mwisho wa mwaka

Born, UJERUMANI

UJERUMANI imeongeza vizuizi ikiwamo kufunga shule na biashara ambazo sio muhimu katika kukabiliana na maambukizo ya Covid-19.

Hatua hiyo ni hadi Januari 10, mwakani, huku kipindi cha Krismasi kila ikiruhusiwa kuwa na wanafamilia isiyozidi watu wanne.

Nchi hiyo iliripoti vifo vingine 952 na visa 27,728 hadi siku ya Jumatano.

Nchi zingine za Ulaya zimeimarisha vizuizi kabla ya Krismasi na Ufaransa ikianzisha amri ya kutotoka nje wakati wa usiku.

Chini ya hatua hiyo nchini Ujerumani, biashara muhimu tu kama vile maduka makubwa na benki zitaruhusiwa kubaki wazi.

Migahawa, baa na vituo vya burudani vimefungwa tangu Novemba na maeneo mengine ya nchi yalikuwa yameweka vikwazo vyao wenyewe.

Pia saluni ni miongoni mwa biashara ambazo lazima zifungwe, wakati kunywa pombe, kama vile vibanda maarufu vya divai ni marufuku.

Kampuni zinahimizwa kuruhusu wafanyakazi kufanya kazi nyumbani. **BBC**

Yaitaka Google kufunga vituo kadhaa vya YouTube

Kampala, UGANDA

TUME inayosimamia Mawasiliano Uganda (UCC) imeandika barua kwa kampuni ya Marekani ya Google, ikiitaka kampuni hiyo ifunge stesheni kadhaa za televisheni zinazopeperusha matangazo yake kupitia You tube.

Miongoni mwa stesheni hizo ni Ghetto TV, inayomilikiwa na Chama cha National Unity Platform (NUP) cha mgombea wa urais Robert Kyagulanyi maarufu kama Bobi Wine.

UCC inataka karibu stesheni 13 zinazopeperusha matangazo yake moja kwa moja kupitia YouTube, kufungwa kwa msingi kwamba zimekiuka sheria na maadili ya habari nchini Uganda.

Barua ya UCC kwa Google inasema kwamba tume ya mawasiliano ya Uganda imepokea malalamiko kadhaa kutoka kwa maofisa wa serikali, akiwamo Waziri wa Mambo ya Ndani, mwenyekiti wa usalama wa taifa, polisi na jeshi la nchi hiyo, kuhusu habari zinazopeperushwa na vituo hivyo vinavyotumia YouTube.

Barua hiyo inaeleza kwamba vituo hivyo vinapeperusha habari ambazo zinavunja sheria ya mawasiliano ya Uganda, ya mwaka 2013 na sheria inayosimamia habari ya mwaka 2019, ibara ya 8 sehemu ya 2.

Televisheni ambazo zimetajwa kwenye barua ya UCC ni pamoja na TMO Online, Lumbuye Fred, Trending Channel Ug, Uganda Yaffe, Uganda News Updates, Ghetto TV, Busesa Media Updates.

Nyingine ni Uganda Empya, Map Mediya TV, KK TV, Ekyooto TV, Namungo Media, JB Muwonge na Bobi Wine 2021. Barua hiyo inadai kwamba televisheni hizo kwenye mtandao wa YouTube, zilitumika kueneza machafuko ya hivi karibuni nchini Uganda yaliyopelekea vifo vya watu kadhaa na uharibifu wa mali.

Inaendelea kusema kwamba zinatumika "kueneza habari za uongo, na maoni potofu kwa nia ya kupotosha jamii, zikiwa na lengo la kusababisha ghasia kwa misingi ya kikabila na kisiasa.

Barua hiyo inaongezea kwamba habari na maoni yanayopeperushwa na stesheni hizo "yana upendeleo, yanaonyesha miili ya watu waliokufa, waliojeruhiwa vibaya, ajali mbaya na zinaweza kusababisha wasiwasi mkubwa katika jamii."

UCC inasema kwamba televisheni hizo za mtandao wa Youtube, hazina leseni ya kupeperusha habari nchini Uganda.

Kulingana na ibara ya 27 ya sheria ya maudhui nchini Uganda, hakuna mtu anaruhusiwa kupeperusha habari bila ya kuwa na leseni ya tume ya mawasiliano ya nchi hiyo na anayefanya hivyo anaweza kuhukumiwa mwaka mmoja gerezani, kulipa faini au kulipa faini na kifungo cha mwaka mmoja gerezani.

Mapema mwaka huu, UCC, iliamuru watu wote wanaoandika maudhui kwenye mitandao ya kijamii kusajili kurasa zao la sivyo wachukuliwe hatua za kisheria. Agizo hilo hata hivyo linaripotiwa kutotiliwa maanani.

Hatua hiyo inajiri wakati tume ya uchaguzi nchini humo inataka wagombea wote kufanya kampeni kwa njia ya internet kutumia mitandao ya You tube, Facebook, Twitter na kadhalika pamoja na radio, televisheni, kutokana na janga la virusi vya Corona.

Stesheni ambazo UCC inataka zifungwe, zinaonyesha sana kampeni za wanasiasa wa upinzani. **VOA**

DEPAY AIKATAA BARCA, PSG

LYON, Ufaransa

MSHAMBULIAJI wa Lyon, Memphis Depay anachofikiria kwa sasa ni kushinda mataji na timu yake, licha ya kuhusishwa na Barcelona na Paris Saint-Germain.

Straika huyo mwenye umri wa miaka 26 mkataba wake wa sasa na Lyon unamalizika mwishoni mwa msimu huu na amekuwa akihusishwa sana na Barca ambayo inanolewa na kocha wa zamani wa Uholanzi, Ronald Koeman.

Amefunga mabao sita katika mechi 14 za Ligue 1 msimu huu, na kwa mujibu wa jarida la Ufaransa la Le Parisien, PSG wanamtaka Mholanzi huyo kucheza pamoja na Neymar na Kylian Mbappe mwakani.

Depay hivi karibuni alifunguka na kusema yupo tayari kuungana na Koeman pale Camp Nou, lakini alipoulizwa Jumanne na waandishi wa habari, alijibu tofauti kabisa.

"Nikiwa mkweli, tuna timu imara hapa," alisema. "Sijui nini kitatokea mwakani. Mimi ni mchezaji wa Lyon, nahodha, na nipo hapa kushinda vitu, mechi na kuwa muhimu.

"Hilo ndio dhumuni langu kubwa. Kama nikianza kufikiria kuhusu majaliwa yangu, naweza kupoteza umakini wangu.

"Kwa asilimia 100 mimi nipo Lyon. Nini kitakachotokea siku za usoni ni suala la kusubiri kwa sasa kuona."

Ozil haondoki Arsenal Januari - Wakala

LONDON, England

WAKALA wa Mesut Ozil amebainisha kiungo huyo hataondoka Arsenal wakati wa dirisha la Januari, mwakani na kusisitiza mteja wake ana nia kubwa ya kumalizia kipindi cha mkataba wake kilichobaki.

Ozil aliondolewa kwenye kikosi cha Ligi Kuu England na Ligi ya Europa na Mikel Arteta Oktoba, mwaka huu na hawezi kuchaguliwa kwenye timu hadi wakati wa dirisha dogo la usajili la Januari ambapo orodha inaweza kubadilishwa.

Kiungo huyo wa zamani wa Real Madrid, ambaye alisajiliwa kwa ada iliyoweka rekodi klabuni hapo wakati alipojiunga kwa ada ya pauni milioni 42 mwaka 2013, hajaichezea timu hiyo tangu Machi 7, mwaka huu.

Wakati wakala wa Ozil, Dk. Erkut Sogut, akisisitiza kuna klabu nyingi Ulaya zinamwania nyota huyo, amesema nyota huyo wa zamani wa Ujerumani ambaye mkataba wake unamalizika mwishoni mwa msimu, anataka kumalizia mkataba wake Arsenal.

"Hata siku moja ni ndefu sana kwenye soka, kamwe huwezi kujua," alisema akiiambia Tuttomercatoweb.

"Bila shaka, kuna klabu nyingi zinamtaka kumsajili yeye, lakini anataka kwanza kumalizika mkataba wake.

"Hakuna kitu kilichobadilika katika uamuzi wake wa kutaka kwanza kumaliza mkataba wake na kutocheza kwake hakujabadilisha kitu."

PSG wajiandaa kutangaza kumsajili Messi

PARIS, Ufaransa

PARIS Saint-Germain inajiandaa kutangaza kumsajili Lionel Messi, kwa mujibu wa FootballTransfers.

Klabu hiyo ya Paris Saint-Germain kwa muda mrefu imekuwa ikihusishwa na mpango wa kumwania Messi mwenye umri wa miaka 33.

Na sasa kwa mujibu wa ripoti za usajili, PSG inajiamini kwamba itamsajili nyota huyo wa Barcelona.

Messi, ambaye mkataba wake unamalizika mwishoni mwa msimu huu, alijaribu kuondoka Barcelona mwishoni mwa msimu wa 2020-21, lakini mshindi huyo mara sita wa Ballon d'Or aliamua kubakia Camp Nou.

Sasa mabingwa wa Ligi Kuu Ufaransa, Ligue 1, PSG wamejiweka kwenye nafasi nzuri zaidi ya kumsajili Messi kwa uhamisho huru.

Miamba hao wa jiji la Paris wameripotiwa kuanza mazungumzo binafsi na wawakilishi wa mchezaji huyo na kwamba wana uhakika wa kumsajili kipindi cha majira ya joto kijacho.

Hata hivyo, gazeti la Daily Star, limedai kwamba, Kocha wa Manchester City, Pep Guardiola naye yupo kwenye mbio za kuwania kumsajili Messi.

HABARI MICHEZO

Koeman atuma salamu PSG

BARCELONA, Hispania

KOCHA wa Barcelona, Ronald Koeman, ametuma ujumbe kwa mabingwa wa soka nchini Ufaransa, Paris Saint-Germain kwa kusema hawawaogopi.

Barcelona wamepangwa kukutana na PSG kwenye Ligi ya Mabingwa Ulaya hatua ya mtoano wa timu 16, huku mchezo wa kwanza ukitarajiwa kuchezwa Camp Nou Februari 16, mwakani na mchezo wa marudiano kupigwa jijini Paris, Ufaransa, Machi 10, mwakani.

Koeman amesema wameipokea kwa mikono miwili ratiba ya hatua hiyo, na anaamini mpambano utakuwa na vuta ni kuvute, kutokana na wapinzani wao kuwa na wachezaji wenye viwango vya hali ya juu.

Amesema wanaiheshimu PSG kama mshindani wao, na hawatabweteka kwa kuamini historia ya michuano ya Ulaya imekua ikiwabeba mara kwa mara, licha ya msimu uliopita kukabiliwa na changamoto ya kuondoshwa kwa kipigo cha aibu na Bayern Munich.

"PSG ni timu yenye nguvu, lakini ni ngumu kwao kwa sababu sisi pia ni timu ngumu na naona ni sawa kabisa," alisema akinukuliwa na AS.

"Katika miaka ya hivi karibuni wametumia fedha nyingi kuijenga timu ambayo inaweza kupigania mataji makubwa kama Ligi ya Mabingwa.

"Msimu uliopita walifika fainali, na ni timu ambayo itaendelea kuwapo," amesema.

Msimu uliopita PSG walifikia hatua ya fainali ya michuano hiyo, lakini walifungwa na Bayern Munich waliobeba taji hilo.

GUARDIOLA ALALAMIKIA UBUTU

MANCHESTER, England

KOCHA Mkuu wa Manchester City, Pep Guardiola, amesema tatizo kubwa lililopo kwenye timu yake kwa sasa ni ubutu wa washambuliaji wake kushindwa kufunga jambo ambalo linahitaji muda kutafutiwa dawa.

Kocha huyo ameongeza kuwa walikuwa na nafasi ya kuibuka na ushindi kwenye mchezo wao wa Ligi Kuu England dhidi ya West Brom, juzi Jumanne usiku, lakini wakalazimishwa sare.

City wakicheza kwenye dimba lao la Etihad ililazimisha sare ya kufungana bao 1-1 na West Brom na kuwafanya wagawane pointi moja moja inayowafanya City wafikishe pointi 20, wakiwa nafasi ya sita kwenye msimamo wa Ligi Kuu England.

Likay Gundogan alipachika bao la kwanza kwa City dakika ya 30 na dakika ya 43 Ruben Dias alijifunga na kuwafanya waende mapumziko wakiwa wametoshana nguvu.

Hadi dakika ya 90 zinakamilika timu zote ziligawana pointi na kuifanya West Brom kufikisha pointi 7 ikiwa nafasi ya 19.

Guardiola amesema walimiliki mchezo katika kila kitu ila walishindwa kutumia nafasi ambazo walizipata kipindi cha kwanza na kipindi cha pili, jambo lililowafanya washindwe kupata ushindi.

Lampard adai uchovu umeigharimu Chelsea

LONDON, England

KOCHA wa Chelsea, Frank Lampard, amesema wachezaji wake wana uchovu kufuatia kukutana na kipigo cha mabao 2-1 dhidi ya Wolves katika mtanange wa Ligi Kuu England, uliochezwa juzi Jumanne.

Bao la Pedro Neto dakika ya 95 liliinyima Chelsea kuondoka na pointi moja pale kwenye dimba la dimbani Molineux.

Daniel Podence alisawazisha bao la mshambuliaji wa Ufaransa, Olivier Giroud ambaye aliitanguliza mbele The Blues.

Hicho kinakuwa kipigo cha pili mfululizo kwa Chelsea baada ya mechi ya juzi dhidi ya Everton kupoteza kwa 1-0.

Baada ya mchezo huo, Lampard alisema uchovu umewagharimu kwani walijipanga kwa ushindi.

"Nimekasirishwa na hili kwa kweli, tulistahili kupata ushindi, lakini mambo yalikuwa tofauti kabisa," alisema akiwaambia waandishi wa habari. "Naweza kusema uchovu wa wachezaji, lakini hiyo sio sababu kubwa, kikubwa tunatakiwa kujipanga kwa ajili ya mechi zijazo."

Wolves ipo nafasi ya 10 ikiwa na pointi 20, huku Chelsea ikiwa nafasi ya tano na pointi 22, zote zikiwa zimecheza mechi 13.

Benzema amehusika katika mabao 18 kwenye mechi 22 za LaLiga dhidi ya Athletic, akifunga 13 na kutoa pasi za mwisho tano.

Zidane alikubali kwamba Madrid walianza kwa kucheza chini ya kiwango, na wapinzani wao walicheza kwa kujihami zaidi baada ya kubakia 10 uwanjani.

"Ni kweli kwamba, tulipata wakati mgumu. Unapocheza dhidi ya wachezaji 10, kama ukiwakamata vizuri unaweza kuwa mchezo rahisi zaidi kwako."

Namungo haitaki mchezo kimataifa

Na Saada Akida

BAADA ya kulazimisha sare ya mabao 2-2 dhidi ya Azam FC katika mechi ya Ligi Kuu Tanzania Bara iliyochezwa juzi usiku, kikosi cha Namungo kimeelekea Zanzibar kwa ajili ya kuweka kambi kujiandaa na mchezo wake wa mashindano ya kimataifa ya Kombe la Shirikisho Afrika dhidi ya El Hilal Obeida kutoka Sudan.

Namungo itawakaribisha Wasudan hao katika mchezo wa hatua ya kwanza utakaochezwa Desemba 23, mwaka huu, kwenye Uwanja wa Azam Complex uliopo Chamazi jijini, Dar es Salaam.

Akizungumza na gazeti hili jijini jana, Kocha Mkuu wa Namungo, Hemedi Morocco, alisema wanaenda kujipanga kwa ajili ya mechi yao hiyo ambayo maandalizi ya michuano hiyo ni tofauti na wanavyojianda na mechi za Ligi Kuu Tanzania Bara.

Morocco alisema baada ya kufanikiwa kupata pointi moja dhidi ya Azam FC, na kuona mapungufu ya kikosi chake katika safu ya ulinzi baada ya beki wake, Edward Manyama kupata majeraha katika mechi hiyo.

"Awali tulikuwa na changamoto katika safu ya ushambuliaji, nimelifanyia kazi na naona mabadiliko kwa kutumia nafasi hizo vizuri, kuelekea michuano ya kimataifa tunahitaji kuwa makini kulingana na wapinzani wetu," alisema Morocco.

Aliongeza amewaangalia wapinzani wake kupitia video na hivyo anakiimarisha kikosi chake kwa ajili ya kuwakabili na hatimaye kupata matokeo mazuri.

Matukio awataka wasanii kubadilika

Na Sabato Kasika

MSHINDI wa mashindano ya Mr University mwaka 2002, Matukio Chuma amewataka wasanii nchini kuacha kuishi 'maisha ya bandia' na badala yake waonyeshe uhalisia wa maisha yao yalivyo ili jamii ijifunze kutoka kwao.

Matukio alitoa nasaha hizo jijini, Dar es Salaam jana, wakati akizindua kitabu chake kiitwacho Matukio ambacho kimeandikwa kwa lugha ya Kiswahili na Kiingereza chenye ujumbe usemao 'Nimejifunza naendelea kujifunza'.

Alisema vijana wanatakiwa kujitambua, kujijua na kutumia karama na vipaji vyao, lakini wakiwekeza katika ufahamu ili waweze kujiletea maendeleo.

"Ninasikitika kusema baadhi ya wasanii nchini wanatumia mitandao ya kijamii vibaya kwa kupiga picha hata magari ya gharama kubwa, ili waonekane wana kitu na kumbe sivyo," alisema Matukio.

Alisema ameamua kuandika kitabu hicho kinachoelezea historia yake na mafunzo kwa vijana, ili kwamba hata kama hatakuwapo duniani, basi ujumbe wake uendelee kusomwa na kuwapa mabadiliko vijana.

Kaze atamba kikosi Yanga SC kimeiva

●●● Kocha huyo aeleza safu yake ya ushambuliaji sasa ni mwendo wa dozi...

Adam Fungamwango na Saada Akida

WAKATI timu yake ikiwa inaongoza kwenye msimamo wa Ligi Kuu Tanzania Bara, Kocha Mkuu wa Yanga, Cedric Kaze, amesema safu yake ya ushambuliaji imekuwa na mabadiliko na inampa matumaini ya kuendelea kufanya vyema kwenye ligi hiyo inayoendelea hapa nchini.

Kaze alisema hayo baada ya kupata ushindi wa mabao 3-0 katika mechi ya kirafiki dhidi ya Singida United iliyochezwa juzi.

Kocha huyo raia wa Burundi alisema sasa hivi kikosi chake kimeanza 'kuvuna' idadi kubwa ya mabao tofauti na alivyoikuta timu hali ambayo inamwongezea nguvu kwenye mapambano yake.

Alisema mechi mbili walizocheza ikiwamo dhidi ya Mwadui FC ambayo walishinda mabao 5-0, ameona jinsi washambuliaji wake walivyokuwa makini kutumia nafasi za walizotengeneza.

Alisema uko utofauti mkubwa kwenye safu ya ushambuliaji ya awali na sasa ambayo imezidi kuimarika na kupata matumaini ya kushinda idadi ya mabao mengi katika mechi zao zinazofuata.

"Tukirudi katika mechi za nyuma tumekuwa tunashinda bao 1-0, 2-1 na kutokuwa makini na utulivu wa kumalizia nafasi za mwisho, sasa nimeona tofauti kubwa kupata imani kwamba tutafanya vizuri zaidi ikiwamo suala la kufunga idadi kubwa ya mabao," alisema Kaze.

Kuhusu kiwango kilichoonyeshwa na mshambuliaji wake mpya, Saido Ntibazonkiza, alisema hana wasiwasi na nyota huyo ambaye akishirikiana vyema na wachezaji wenzake watafikia malengo yanayotarajiwa na klabu hiyo.

"Nafahamu uwezo wa Saido, ni mzuri na amecheza soka kwa muda mrefu, kwa uzoefu wake kwa kushirikiana na nyota ambao amewakuta hapa tutafanya vizuri na kufunga idadi kubwa ya mabao katika mechi zetu zijazo za ligi na hata michuano mingine iliyopo mbele yetu," alisema Kaze.

Aliongeza kutokana na kiwango alichokionyesha mshambuliaji huyo, anafikiria kumjumuisha katika mipango yake kuwakabili Dodoma Jiji FC, mchezo utakaochezwa keshokutwa kwenye Uwanja wa Sheikh Amri Abeid jijini, Arusha.

Mbali na kufunga mabao mawili, moja likiwa na mkwaju wa penalti, lakini kiungo huyo alionekana mbunifu kwa kutoa pasi nyingi za mwisho, akiwa kwenye eneo la hatari, lakini washambuliaji waliocheza mechi hiyo, Waziri Junior na Ditram Nchimbi, walishindwa kuzitumia nafasi hizo.

"Nimeona watu wamefurahi, na hii ni mechi yangu kwa kwanza, na Mungu akipenda nitafanya vizuri zaidi ya hii," alisema mshambuliaji huyo.

Kuhusu Ligi Kuu Tanzania Bara, Saido alisema hajacheza hata mechi moja, hivyo hawezi kusema kama ni ngumu au la, lakini anachojua zaidi kuna mechi moja tu ambayo ni ngumu zaidi, lakini atapambana.

Katika mechi hiyo ya kirafiki, Saido alifunga mabao mawili na la tatu liliwekwa kimiani na Deus Kaseke dakika ya 81.

Baada ya mechi hiyo, vinara hao wa Ligi Kuu Bara watasafiri kuelekea Mbeya kuwafuata wenyeji wao Ihefu FC katika mchezo utakaofanyika Desemba 26, mwaka huu na siku tano baadaye watavaana na Tanzania Prisons kwenye Uwanja wa Nelson Mandela Mjini Sumbawanga.

Aliongeza mbali na Ligi Kuu Tanzania Bara, mazoezi na maandalizi wanayofanya kila siku yanazingatia jukumu la kupeperusha bendera ya nchi ambalo wanalo.

Nyota huyo anayeongoza katika kupachika mabao alisema kwake anajipanga kujituma na kucheza katika kiwango bora kila atakapopata nafasi na anaamini kwa kufanya hivyo ataiweka timu yake kwenye nafasi nzuri.

Simba sasa inajiandaa na safari ya kuelekea Zimbabwe kwa ajili ya mechi yake ya Ligi ya Mabingwa Afrika dhidi ya FC Platinum itakayochezwa kati ya Desemba 22 na 23, mwaka huu jijini, Harare nchini humo.
